*Illustrated.

Agricultural limestone (continued)

- Mine tailings to be used for.....Sept. 27 108
- National Agricultural Limestone Products Association meeting at Buffalo.....July 5 67
- National Agricultural Limestone Products Association meeting.....July 19 110
- New terms adopted by chemists.....Dec. 6 45
- Ohio producer gives county farmers all they want.....Aug. 30 60
- Recent contract prices.....Mar. 1 111
- Springhill Pulverized Limestone Co. to produce agstone.....Mar. 1 80
- Survey of limestone and phosphate situation in the midwest states. J. R. Bent.....Jan. 4 *119
- Tennessee exhibit promotes sale of.....Nov. 8 84
- Virginia invests in portable agstone plant.....May 24 100
- Why Illinois is largest consumer of.....Aug. 16 88
- Agricultural liming materials in Ohio. W. H. Margraf.....Jan. 4 145

Agstone (See Agricultural limestone)

- Aids in handling oneself and others, especially in relation to accident prevention and safety. Harold S. Hulbert.....Oct. 11 92
- Air compressors, Diesel engines for. Orville Adams.....June 7 *114
- Air filters for cement plants. Orville Adams.....July 19 *106

Airports:

- Aggregates for runways of.....May 24 80
- Asphalt for.....Nov. 22 61
- Construction and maintenance of. W. A. Hardenbergh.....Feb. 15 62
- Modern airports and the use of rock products. Robert E. Johnson.....Sept. 27 *49
- New projects.....Sept. 27 93
- Regulations for construction discussed at joint conference.....Apr. 26 110
- Seven new airports planned.....Nov. 22 96
- Alden, L. V.: Industry and depressed price levels.....Mar. 29 74
- Alderton, E. F.: Protective clothing and devices as an aid to safety.....Aug. 2 80
- Allan, W. D. M.: New combustible standard for cinder aggregate.....June 21 84
- Aluminous silicates, decomposition for chemical analysis.....Sept. 13 73
- Ambler, H. A.: Eliminating accidents at the plant of Superior Portland Cement, Inc., Concrete, Wash.....Nov. 8 *82

American Ceramic Society:

- Abstract of convention paper on gypsum plaster.....June 7 *62
- Convention program released.....Jan. 4 116
- Subsiege particle distribution, paper on.....Aug. 16 *79

American Concrete Institute:

- Convention program.....Feb. 1 117
- Convention session on cement and concrete products.....Mar. 1 109
- Convention to be at New Orleans.....Jan. 18 95
- New Orleans convention proceedings.....Mar. 1 *100
- Review of research for 1929. Harvey Whipple.....Jan. 18 79
- American Concrete Pipe Co., Oakland, Calif., operation.....July 5 *108
- American Cyanamid Co., Niagara Falls, Ont., lime plant.....Mar. 29 *41

American Institute of Mining and Metallurgical Engineers:

- Barite in California, booklet on.....Aug. 16 79
- Misfires; causes and prevention, paper on.....July 5 95
- Moving picture of sand falling in water.....Aug. 30 54
- New York meeting.....Mar. 1 95
- Program for annual meeting. Oliver Bowles.....Feb. 1 66
- American Materials Corp.'s new gravel plant and slag plant at Hamilton, Ohio.....June 7 *49
- American Railway Engineering Association: Quality rating of ballast discarded at convention.....Mar. 15 108

American Refractories Institute:

- Annual meeting announced.....Apr. 12 120
- New officers elected at annual meeting.....June 7 111

American Road Builders' Association:

- Convention proceedings published.....June 7 117
- Standardization of weighing devices for aggregate.....Oct. 25 61
- St. Louis picked for 1931 convention and show.....June 21 73
- Van Duzer elected president.....Feb. 1 44

American Society for Testing Materials:

- Annual meeting at Atlantic City, N. J., proceedings of.....July 5 101

American Society for Testing Materials (continued)

- Committee C-1 adopts new specifications for cement.....Mar. 29 56
- Committee C-1 on cement, reorganization of.....Nov. 22 93
- Committee C-1 on cement reorganized.....Oct. 25 100
- Committee C-9, on concrete and concrete aggregates, activities of.....May 24 69
- Gypsum products specifications revised.....Sept. 27 105
- Index to standards and tentative standards.....Jan. 4 154
- New committee on mortars for unit masonry organized.....May 24 105
- New tentative standards.....Dec. 20 45
- Plastering specifications to be developed.....Mar. 15 62
- Rate of hydration of cement clinker.....Sept. 27 55
- Revised specifications for portland cement.....Sept. 13 76
- Testing of hollow masonry building units. Harry D. Foster.....May 10 65
- American Standards Association:
 - New lighting code.....Dec. 20 45
 - Revised method of routine analysis of white pigments.....Nov. 8 97
 - Safety code for pulverized fuel installations.....Nov. 8 84
 - Yearbook for 1930.....July 5 82
- America's new industrial doctrines.....Apr. 26 59
- Among western producers. W. A. Scott.....Dec. 6 92

Anable, A.:

- Fine grinding practice discussed at Mining Engineers' meeting.....Mar. 1 *66
- Recent developments in the application of closed circuit fine grinding.....Mar. 29 *66
- Analyses of waste gases of rotary cement kiln and their part in kiln control. Alton J. Blank.....May 10 *58
- Analysis of article by Katsuzo Koyanagi on "Accounting for ignition loss in analysis of clinker." Alton J. Blank.....Oct. 25 67
- Analysis of article by Katsuzo Koyanagi on "Iron oxide vs. alumina," by Alton J. Blank.....June 7 82
- Analysis of complicated concrete mixes. J. L. Heitzman.....Nov. 8 62
- Anhydrite plasters and cements.....Dec. 20 51
- Annual accident study encouraging. J. B. John.....May 10 *108
- Are you getting the true lime value on your raw mix analysis? Robert R. King.....Aug. 2 60
- Arkansas Geological Survey map.....Nov. 22 99
- Artificial travertine being used in Milan.....Jan. 18 88
- Artinite found in Liguria.....Aug. 30 71

Asbestos:

- Burlington, Wash., deposit being opened.....Apr. 26 107
- Canadian exports in April.....June 7 100
- Canadian exports during February.....May 24 50
- European asbestos-cement cartel formed.....Oct. 11 48
- International asbestos-cement products cartel formed.....Jan. 18 40
- Italian production.....May 10 116
- Production in 1929.....May 24 77
- Quebec output shows big gain.....Mar. 1 73
- Review of industry for 1929.....Jan. 4 127
- Washington (state) developments.....Aug. 2 85

Asphalt: (See also Rock asphalt)

- Emulsifying action of asphalt fillers. A. R. Ebberts.....Nov. 22 *53
- For highways and airports.....Nov. 22 61
- Paving Conference program.....Nov. 22 84
- Paving mixtures studied.....Sept. 27 38
- Sales decrease slightly in 1928.....Apr. 26 58
- Virginia crushed-stone man to make asphalt paving mix.....Nov. 22 100

Asphalt Institute:

- Booklet on asphalt for highways and airports.....Nov. 22 61
- Census of construction forecasts banner year in street paving for 1930.....Apr. 26 90
- Conference to be held in December at Memphis.....Oct. 11 81
- Formed to succeed Asphalt Association.....Jan. 4 98
- Memphis gets ninth annual conference.....June 21 84
- Moves offices and laboratories to new Crystal Bldg.....June 7 108
- Paving mixtures, studies on.....Sept. 27 38
- Asphalt Paving Conference program.....Nov. 22 84

Associated General Contractors of America:

- Credit policies approved at meeting.....May 10 102
- Iowa contractor to fight scheme to improve contracting.....Apr. 26 90
- To create residence contractor's section.....Sept. 13 76
- Unique form of management of.....Apr. 26 91

Associations and conventions:

American Ceramic Society convention program released.....	Jan. 4	116
American Concrete Institute convention proceedings.....	Mar. 1	*100
American Concrete Institute convention program.....	Feb. 1	117
American Concrete Institute convention session on cement products.....	Mar. 1	109
American Concrete Institute convention to be at New Orleans.....	Jan. 18	95
American Concrete Institute research review. Harvey Whipple.....	Jan. 18	79
American Institute of Mining and Metallurgical Engineers annual meeting program.....	Feb. 1	66
American Institute of Mining and Metallurgical Engineers meeting at New York.....	Mar. 1	95
American Railway Engineering Association annual convention.....	Mar. 15	108
American Refractories Institute elects officers.....	June 7	111
American Refractories Institute to meet.....	Apr. 12	120
American Road Builders Association convention proceedings.....	June 7	117
American Road Builders' Association elects Van Duzer president.....	Feb. 1	44
American Road Builders Association to hold convention and road show at St. Louis.....	June 21	73
American Society for Testing Materials adopts new specifications for cement.....	Mar. 29	56
American Society for Testing Materials. Committee C-1 on cement reorganized.....	Nov. 22	93
American Society for Testing Materials. Committee C-9 activities.....	May 24	69
American Society for Testing Materials Index.....	Jan. 4	154
American Society for Testing Materials meeting at Atlantic City, N. I.....	July 5	101
American Society for Testing Materials new tentative standards.....	Dec. 20	45
American Society for Testing Materials revises gypsum products specifications.....	Sept. 27	105
American Society for Testing Materials to develop plastering specifications.....	Mar. 15	62
American Standards Association yearbook.....	July 5	82
Asphalt Institute conference to be at Memphis.....	June 21	84
Asphalt Institute moves offices and laboratories.....	June 7	108
Asphalt Institute succeeds Asphalt Association.....	Jan. 4	98
Asphalt Institute to hold conference at Memphis in December.....	Oct. 11	81
Asphalt Paving Conference program.....	Nov. 22	84
Associated General Contractors of America meeting.....	May 10	102
Associated General Contractors to include residence contractors.....	Sept. 13	76
Ballast, Sand and Allied Trades Association, England, formed.....	Sept. 13	102
British Portland Cement Association work.....	Sept. 27	55
Building Stone Association of Indiana formed.....	Mar. 29	95
Cement Institute established.....	Feb. 15	*85
Cement Institute establishes Chattanooga office.....	May 10	96
Cincinnati Sand and Gravel Producers' Association formed.....	Mar. 29	97
Clay miners to form association.....	Mar. 15	87
Clay producers to organize.....	July 5	67
Compressed Air Society trade standards.....	Apr. 12	118
Concrete Masonry Association's proposed five-year program.....	July 5	84
Diesel Engine Manufacturers' Association elects officers.....	Jan. 4	147
Empire State Sand and Gravel Producers' Association meeting at Syracuse.....	Mar. 29	93
Feldspar Grinders' Institute elects officers.....	Mar. 15	95
Feldspar Grinders' Institute meeting at Spruce Pine, N. C.....	Oct. 25	101
German Portland Cement Manufacturers' Association meeting reports. Reviewed by C. R. Platzmann.....	May 24	92
Gypsum Association annual meeting.....	Dec. 20	*81
Gypsum Association opens New York office.....	Dec. 6	67
Gypsum Association, successor to Gypsum Institute, headed by H. I. Schweim.....	May 24	*85
Highway Engineering Conference proceedings published.....	June 21	110
Holmes Safety Association award given to Lehigh Portland Cement Co.....	Oct. 11	91

*Illustrated.

Associations and conventions (continued)

Holmes Safety Association contest to be held at Louisville, Ky.....	Apr. 26	110
Indiana Sand and Gravel Association elects Sanders president.....	Jan. 4	*151
International Road Congress adopts conclusions re concrete roads.....	Oct. 25	90
International Road Congress plans.....	July 19	76
International Road Congress program.....	Aug. 30	70
Iowa Aggregate Producers' Association against wage cuts.....	Dec. 6	78
Iowa Concrete Products Association meeting.....	Mar. 1	96
Miami tile, marble and terrazzo contractors organize.....	June 7	125
Milwaukee Building Material Co-Operative fought by contractor.....	Sept. 27	83
Milwaukee Concrete Products Association disbands.....	Oct. 25	99
National Agricultural Limestone Products Association annual meeting.....	July 5	67
National Agricultural Limestone Products Association meeting at Buffalo.....	July 19	110
National Association of Paris Transit Mixed Concrete Manufacturers' convention announced.....	Nov. 22	111
National Association of Paris Transit Mixed Concrete Manufacturers' convention to be in St. Louis.....	Dec. 20	102
National Association of Paris Transit Mixed Concrete Manufacturers formed.....	June 7	*111
National Association of Stone, Marble and Granite Producers hold rate conference.....	Oct. 11	102
National Building Granite Quarries Association convention.....	Feb. 15	89
National Concrete Burial Vault Association formed.....	Mar. 15	114
National Concrete Products Association to meet in New Orleans.....	Jan. 18	88
National Crushed Stone Association convention proceedings.....	Feb. 1	*97
National Crushed Stone Association convention proceedings published.....	Oct. 25	90
National Crushed Stone Association convention program.....	Jan. 18	70
National Crushed Stone Association directors meeting at Atlantic City.....	Aug. 2	65
National Crushed Stone Association directors to meet at Atlantic City.....	July 19	86
National Crushed Stone Association, Manufacturers' Division meeting.....	Nov. 8	65
National Crushed Stone Association research in 1929. A. T. Goldbeck.....	Jan. 4	133
National Lime Association convention at Chicago.....	June 7	*97
National Lime Association convention to be at Chicago.....	Apr. 26	64
National Ready-Mixed Concrete Association completes organization plans.....	July 19	*100
National Ready-Mixed Concrete Association to meet in Pittsburgh.....	June 21	106
National Ready-Mixed Concrete Association to meet at St. Louis.....	Oct. 25	99
National Safety Congress cement and quarry sections program.....	Aug. 30	80
National Safety Congress, Pittsburgh, proceedings.....	Oct. 11	84
National Safety Council calendar.....	May 24	101
National Safety Council, Cement Section, meeting at Dallas.....	May 10	92
National Safety Council midwest conference to be held in Chicago.....	Mar. 15	93
National Safety Council, Quarry Section, new members.....	Sept. 27	92
National Safety Council, Quarry Section, tentative safety rules.....	Dec. 6	82
National Sand and Gravel Association annual convention proceedings.....	Feb. 1	*79
National Sand and Gravel Association convention program.....	Jan. 18	99
National Sand and Gravel Association directors' meeting at Milwaukee. Edmund Shaw.....	May 24	72
National Sand and Gravel Association, Manufacturers' Division, meeting.....	Sept. 27	103
National Sand and Gravel Association, Manufacturers' Division, to meet.....	Aug. 2	86
National Sand and Gravel Association research work in 1929. Stanton Walker.....	Jan. 4	128
National Sand and Gravel Association sponsors meeting of ready-mixed concrete producers.....	May 24	*102
National Silo Research Council, concrete stove division, meeting.....	Jan. 18	88
National Slate Association annual meeting.....	Feb. 1	70
National Slate Association conference program.....	Jan. 18	86

Associations and conventions (continued)

Nazareth Division, Lehigh Valley Safety Council meeting.....	June 21	103
Nebraska Sand and Gravel Association organized.....	Nov. 22	95
New England Crushed Stone Association meeting.....	Sept. 27	104
New England Crushed Stone Association organized.....	May 24	95
New York State Crushed Stone Association meeting at Albany.....	Sept. 13	94
New York State Crushed Stone Association meeting at Buffalo.....	July 5	67
New York State Crushed Stone Association meeting at Rochester.....	Oct. 25	91
New York State Crushed Stone Association meeting at Syracuse.....	Mar. 29	93
New York State Crushed Stone Association meeting at Syracuse.....	Aug. 16	89
New York State Crushed Stone Association meeting at Utica.....	May 10	103
New York State Crushed Stone Association 1929 annual meeting.....	Jan. 4	*197
New York State Crushed Stone Association 1930 annual meeting.....	Dec. 20	76
Northwest Concrete Products Association annual meeting.....	Feb. 15	120
Northwest Concrete Products Association meeting at Bellingham, Wash.....	Aug. 2	*87
Northwest Machinery Co., co-operative buying association, formed.....	Nov. 22	72
Ohio Finishing Lime Association grows.....	Jan. 18	61
Oklahoma Sand and Gravel Association elects officers.....	June 21	110
Pennsylvania Stone Producers Association meeting.....	Mar. 1	*80
Pennsylvania Stone Producers Association meeting.....	Dec. 20	102
Polytechnic Society (Polyteknisk Forening), Oslo, Norway, meeting.....	May 10	103
Portland Cement Association awarded Holmes medals.....	May 24	100
Portland Cement Association awards safety trophies at spring meeting.....	June 7	*103
Portland Cement Association June no-accident campaign.....	May 24	*98
Portland Cement Association meeting in Chicago.....	Nov. 22	*94
Portland Cement Association regional safety meeting at Albany.....	Apr. 26	*93
Portland Cement Association regional safety meeting at Birmingham.....	Feb. 15	*108
Portland Cement Association regional safety meeting at Cincinnati.....	Mar. 1	*92
Portland Cement Association regional safety meetings, Cleveland and Washington.....	July 19	*92
Portland Cement Association regional safety meeting at Dallas.....	Feb. 15	*111
Portland Cement Association regional safety meeting at Des Moines.....	Mar. 29	*88
Portland Cement Association regional safety meeting at Detroit.....	July 19	*93
Portland Cement Association regional safety meeting at Easton, Penn.....	June 7	105
Portland Cement Association regional safety meeting banquet at Easton.....	June 21	*104
Portland Cement Association regional safety meeting, Easton, registration.....	July 5	96
Portland Cement Association regional safety meeting at Kansas City.....	Apr. 12	*92
Portland Cement Association regional safety meeting at La Salle, Ill.....	Mar. 15	*90
Portland Cement Association regional safety meeting at Ogden, Utah.....	Oct. 11	98
Portland Cement Association regional safety meeting at St. Louis.....	Mar. 15	*88
Portland Cement Association regional safety meeting at San Francisco.....	Oct. 11	*96
Portland Cement Association regional safety meeting at Seattle.....	Sept. 27	*91
Portland Cement Association safety awards to set new record.....	Oct. 25	*85
Portland Cement Association safety trophy celebrations arranged.....	May 24	100
Portland Cement Association safety trophy celebration at Alpha Bellevue mill.....	June 21	*103
Portland Cement Association safety trophy celebration at International Portland Cement Co. mill at Spokane.....	Sept. 27	*92
Portland Cement Association safety trophy celebration at Lehigh Ormrod mill.....	Aug. 2	*79
Portland Cement Association safety trophy celebration at Pacific Portland mill at Redwood City.....	Oct. 25	*86
Portland Cement Association safety trophy celebration at Southwestern Portland mill at Victorville.....	Oct. 11	*99

Associations and conventions (continued)

- Portland Cement Association safety trophy celebration at Universal Atlas Duluth mill.....Sept. 13 *92
- Portland Cement Association safety trophy celebration at Vulcanite Portland mill at Phillipsburg.....Aug. 30 *81
- Portland Cement Association safety trophy celebration dates fixed.....May 10 *112
- Portland Cement Association safety trophy celebrations at International Birmingham, Nazareth, Norfolk and Spocari mills.....Aug. 2 *77
- Portland Cement Association safety trophy celebrations at International mill at New Orleans and quarry at St. Stephens.....July 19 *91
- Portland Cement Association safety trophy celebrations at Lehigh, Birmingham and Iola mills.....June 21 *100
- Portland Cement Association safety trophy celebrations at Medusa, Toledo and York mills.....July 5 *93
- Portland Cement Association safety trophy celebration at mills of four different companies.....Aug. 16 *97
- Portland Cement Association safety trophy delegates make New York trip.....May 24 *96
- Portland Cement Association safety trophy won by 26 mills.....Jan. 18 *71
- Portland Cement Association research activities for 1929. F. R. McMillan.....Jan. 4 148
- Portland Cement Association spring meeting at New York.....June 7 *103
- Ready-mixed concrete producers discuss national organization at Chicago meeting.....May 24 *102
- Sand-Lime Brick Association convention proceedings.....Feb. 15 98
- Sand-Lime Brick Association convention program.....Feb. 1 70
- Texas Sand and Gravel Producers' Association code.....Sept. 13 93
- Texas Sand and Gravel Producers' Association's new officers.....Sept. 13 81
- Western Society of Engineers' exhibit.....Aug. 30 71
- Wire Reinforcement Institute formed.....Aug. 16 85
- Wisconsin Concrete Products Association convention.....Feb. 15 119
- Wisconsin Concrete Products Association fame spreads.....Sept. 13 96
- Wisconsin Lime Manufacturers Association asks university assistance.....July 19 69
- Wisconsin Lime Manufacturers' Association establishes research fellowship.....Nov. 8 73
- Atlantic Gypsum Products Co. rock handling plant at Cheticamp, Nova Scotia.....Apr. 26 *62
- Australian gypsum products industry.....Mar. 15 *68
- Automobile registrations gained 8% in 1929.....Apr. 12 76
- Avoiding machine shop accidents. J. J. Adams.....Apr. 12 *95
- Avril, Arthur C.: Promotion and sale of ready-mixed concrete.....Jan. 4 *157
- Azbe, Victor J.:**
- Lime production methods of Europe and America. Part I.....Dec. 6 *38
- Testing of lime kilns. Part I.....Sept. 13 *47

B

- Bacon, R. H.: Recent developments in synchronous motors.....Sept. 13 *103
- Ballast demand affected by railway curtailment of maintenance.....Oct. 11 64
- Ballast, Sand and Allied Trades Association, England, formed.....Sept. 13 102
- Barite:**
- And barium products, booklets on.....July 5 76
- And barium products in 1929.....Sept. 27 65
- California deposits.....Oct. 25 66
- In California.....Aug. 16 79
- Methods employed in mining.....May 24 101
- Sardinia deposit found.....Aug. 2 59

- Asbestos exports in April.....June 7 100
- Asbestos output of Quebec shows big gain.....Mar. 1 73
- Atlantic Gypsum Products Co. rock handling plant at Cheticamp, N. S.....Apr. 26 *62
- British cement manufacturer visits British Columbia.....Nov. 8 80
- Bruce Mines, Ont., quarry may be sold to Detroit firm.....Feb. 15 114
- Buckingham, Que., feldspar mill planned.....Mar. 15 93
- Canada Cement Co., Ltd., had good year in 1929.....Jan. 4 201
- Canada Cement Co., Ltd., outlook.....May 24 71
- Canada Cement Co., Ltd., to rebuild Port Colborne plant.....Dec. 6 87
- Canada Gypsum and Alabastine, Ltd., changes name.....Feb. 15 114
- Canada Gypsum and Alabastine to build plant at Calgary.....Jan. 4 151
- Canadian Gypsum Co., Ltd., building new plant at Hillsboro, N. B.....July 19 98
- Cement price lowered in British Columbia.....May 10 60
- Cement production in 1929.....Sept. 13 64
- Cement products industry in 1929.....Nov. 22 52
- "Cementkarrier," new self-unloading boat for bulk transportation.....Sept. 27 95
- Consolidated Mining and Smelting Co. completes first unit of phosphate plant.....Nov. 22 102
- Department of Mines bulletins.....July 5 111
- Diatomite in.....Oct. 11 71
- Feldspar Co. of Canada, Ltd., to build feldspar plant.....Mar. 1 87
- Feldspar industry in 1929.....Nov. 22 55
- Fuel report.....Mar. 15 45
- Geology of Red Lake Basin, Ontario.....Aug. 2 46
- Gilley Bros., Ltd., plant in British Columbia completed.....Oct. 25 83
- Gilley Bros., Ltd., to build new plant.....May 24 71
- Gypsum industry in.....Dec. 20 65

Canada (continued)

Gypsum, Lime and Alabastine, Ltd., Calgary plant in operation.....	July 5	107
Gypsum, Lime and Alabastine, Ltd., export trade growing.....	Apr. 26	55
Gypsum, Lime and Alabastine, Ltd., holds European trade conference.....	May 24	69
Gypsum, Lime and Alabastine, Ltd., may build in England.....	July 5	92
Gypsum, Lime and Alabastine, Ltd., to reopen British Columbia deposits.....	Oct. 11	81
Gypsum tests of Department of Mines.....	Sept. 27	102
Lime production in 1929.....	Nov. 8	35
Limestone wealth shown by motion picture film.....	Nov. 8	35
Maritime Provinces' first plant.....	Mar. 15	67
Mica bulletin of Department of Mines.....	June 7	55
Mineral resources report.....	Sept. 13	67
Montreal cement plant rumored.....	Feb. 15	114
Moose River basin, Ontario, contains large deposit.....	June 21	110
New Edmonton, Alberta, cement project.....	Apr. 26	83
Nonmetallic industries growing.....	May 10	116
Nova Scotia gypsum production in 1929.....	Oct. 11	48
Ontario deposits studied.....	Sept. 27	61
Ontario mineral resources.....	July 5	92
Ore dressing and metallurgy investigations, 1928.....	Sept. 27	67
Ore dressing report of Department of Mines.....	July 19	71
Phosphate deposits of.....	Aug. 16	69
Rock products gain in production in 1929.....	Feb. 1	113
Sand and gravel production, 1928.....	Feb. 15	74
Sand-lime brick statistics for 1929.....	Dec. 6	112
Snowflake Lime, Ltd., operating first hydrate plant in Maritime Provinces.....	Jan. 18	*98
Talc and soapstone industry in 1929.....	Nov. 8	61
Vancouver, B. C., to have steel industry.....	Aug. 2	41
Western Gypsum Products, Ltd., building Winnipeg plant.....	Feb. 15	114

Carbon dioxide:

California Lime Products Co., to operate lime and carbon dioxide ice plants.....	Feb. 1	70
California Lime Products Co., Ltd., to produce carbon dioxide ice.....	Oct. 11	81
Determination in carbonates.....	Mar. 15	*76
"Dry-Ice" copyrighted.....	Dec. 6	112
Method of determination in carbonates. C. A. Jacobson and John W. Haught.....	Sept. 27	*63
Mexico constructs plant for production of.....	July 19	90
Mount Lime and Chemical Corp., to build lime and carbon dioxide ice plant.....	Mar. 1	103
Miami Lime and Chemical Co., to make solid carbon dioxide (ice).....	Dec. 20	102
Carman, C. M.: Safety in waste-heat departments.....	Apr. 12	*98
Carpenter, John G.: Argument on proposed standard sizes of gravel.....	June 7	124

Carr, Bradley S.:

Dredge embodies unique portability developments in design and construction.....	Apr. 26	*105
Sand and gravel dredge of Hugo Sand Co., Kent, Ohio.....	July 19	*67

Cars:

Railroad box car with Haydite concrete floor.....	June 7	*74
Self-unloading bulk cement railway cars.....	Jan. 4	*150
Cashion Slag Co.'s new plant at Donora, Penn.....	Nov. 8	*56
Caskets and other products made of artificial stone by new process. F. H. Colman.....	Apr. 26	*111

Caves and caverns:

How developed by use of explosives. R. W. Stone.....	June 7	102
Limestone caverns opened to public by concrete-lined mine shaft. Dan M. McNeil.....	June 7	*101
Pennsylvania caves.....	Aug. 30	44
Valuable anthropological data revealed by cave.....	June 7	100

Cement: (See also Portland cement)

Atlas Lumnite Cement Co. releases Eckel patents.....	Apr. 12	115
Century Cement Corp., Rosendale, N. Y., modern natural cement plant.....	Mar. 1	*46
Discussion on pozzolanas.....	Sept. 27	55
French production in 1927.....	May 24	69

*Illustrated.

Cement (continued)

Hydraulic cement put on free list.....	Feb. 15	89
Italian production.....	Sept. 27	70
Japanese research on cements.....	Jan. 18	56
Masonry, natural and puzzolan output in 1929.....	May 24	100
Natural cements in 1929.....	Jan. 4	93
New chromite cement developed for high temperature use.....	Apr. 12	79

Cement Institute:

Chattanooga office opened.....	May 10	96
Establishment of.....	Feb. 15	*85

Cement products:

American Concrete Institute session on.....	Mar. 1	109
A. S. T. M. committee on mortars for unit masonry formed.....	May 24	105
An American sphinx.....	Sept. 27	*101
Asbestos-cement cartel formed in Europe.....	Oct. 11	48
Caskets and other products made of artificial stone by new process. F. H. Colman.....	Apr. 26	*111
Cast stone, investigations at Bureau of Standards in 1929.....	Jan. 4	137
Cement and gypsum plasters in wet copper mines.....	May 24	56
"Colorcrete," new product of Cement Marketing Co., Ltd.....	Jan. 4	164
Concrete block pamphlet.....	Jan. 4	202
Concrete masonry booklet.....	June 7	78
Consistent advertising wins.....	Sept. 27	101
Expanding the market through color.....	Apr. 12	110
Fire exposure tests on hollow concrete units.....	Jan. 4	164
Florida producers protest increase in freight rates.....	Nov. 22	84
Granite-concrete products.....	Feb. 15	121
International asbestos-cement products cartel formed.....	Jan. 18	40
Iowa production in 1929.....	Apr. 26	112
Making use of concrete in the garden. F. H. Colman.....	Aug. 16	*102
Manufacture of art objects of colored cement. George Rice.....	Mar. 15	*107
Part IV.....	Apr. 12	*109
Part V.....	May 10	*101
Part VI.....	Jan. 18	*87
Merchandising concrete products—then and now. T. A. Day.....	Mar. 29	*103
Part II.....	Feb. 15	121
Metal spraying on cast stone, cement and concrete.....	Sept. 27	*100
Miniature golf and the cement industry. George Rice.....	June 21	*105
Part I.....	July 19	*99
Part II.....	Aug. 16	*101
Part III.....	Sept. 13	*95
Part IV.....	Oct. 25	*98
Part V.....	June 21	84
New combustible standard for cinder aggregate. W. D. M. Allan.....	June 21	91
New type concrete pipe.....	Dec. 6	88
Patent issued for concrete products made from shells.....	Jan. 18	52
Proposed federal specifications on hollow concrete blocks.....	Nov. 22	81
Prospects in Northwest.....	July 19	110
Railroad ties of concrete used in Mexico.....	Mar. 1	162
Review of industry for 1929.....	Jan. 4	75
"Sani-Onyx" term for manufactured rock product restricted from use.....	June 21	*102
Selling concrete tile by demonstration.....	May 10	110
Selling more concrete products by advertising.....	Apr. 12	105
Straub cinder concrete block patents again upheld.....	Mar. 29	65
"Swimming Pools" booklet.....	Aug. 16	65
Testing of hollow masonry building units. Harry D. Foster.....	May 10	65
Unusual cement products.....	Apr. 26	*112
Urge concrete for post office.....	Dec. 6	91
Vaulted concrete sidewalks.....	Mar. 29	105

Cement products industry:

Canadian industry in 1929.....	Nov. 22	52
Census data.....	July 19	101
Concrete Masonry Association's five-year program.....	July 5	84
Concrete stove silo manufacturers meet.....	Jan. 18	88
Iowa Concrete Products Association meeting.....	Mar. 1	96
Miami tile, marble and terrazzo contractors organize.....	June 7	125
National Concrete Burial Vault Association formed.....	Mar. 15	114
News of Iowa manufacturers.....	Sept. 27	101
Northwest Concrete Products Association meeting.....	Aug. 2	*87

Cement products plants:

American Concrete Pipe Co., Oakland, Calif., operation.....	July 5	*108
---	--------	------

Cement products plants (continued)

Berks Products Corp., Reading, Penn., operation.....	Nov. 8	*90
Berks Products Corp. sells concrete tile by demonstration.....	May 10	*102
Clark, Robert J., to make Haydite blocks.....	Dec. 20	95
Colton, Calif., to have new plant.....	Dec. 20	95
Concrete Pipe and Sand Co. to erect plant at Wheeling, W. Va.....	June 21	83
Concrete Products Plant, North Wilkesboro, N. C., project.....	Nov. 22	110
Eternit, Inc., cement-asbestos shingle manufacturers, bought by Rubberoid Co.....	Sept. 13	85
Federal Cement Tile Co., Chicago, acquires American Cement Tile Mfg. Co.....	Nov. 8	87
Florida Stucco Products Co. moving into new plant.....	May 24	103
General Cement Products Corp. buys Flint Cinder Block and Products Co.....	July 19	86
Grande Brick Co., Grand Rapids, Mich., marketing new fuel brick. William P. Coleman.....	Nov. 22	*108
Huron Cement Products Co. plant combines ready-mix operation.....	July 19	98
Hydro-Stone Co., Memphis, takes over Loeb Stone Co. plant.....	Nov. 8	87
Idaho Portland Cement Co. to build products plant.....	Jan. 18	88
Lindsay, Calif., plant makes improvements.....	Dec. 20	95
Lock Joint Pipe Co. to establish Delaware plant.....	Nov. 8	89
Marbletex Co. to open plant at Lima, Ohio.....	Mar. 1	99
Martinsville, Va., to have new plant.....	July 19	110
Maule Ojus Rock Co. completes new tile plant.....	June 7	83
Oklahoma Cement Pipe Co.'s new plant.....	Dec. 6	*89
Dudley W. Moore.....	Aug. 30	88
Oklahoma Cement Pipe Co. starts operating.....	July 19	59
Olympian Stone Co., Seattle, gets big contract.....	Dec. 20	*95
Oregon Gravel Co. makes sewer pipe.....	Mar. 29	105
Ornamental Stone Co. moving plant to Sioux City.....	Feb. 1	59
Permanent Concrete Products Corp. to build Buffalo plant.....	Dec. 20	95
Southern Cement and Stone Co., Brunswick, Ga., reopened by new owner.....	June 21	54
Spencer Cement Products Co. buys machinery of Mason City, Iowa, plant.....	Nov. 22	111
Spencer Cement Products Co. changes hands.....	Oct. 11	77
Tennessee Marble and Brick Co. plans products plant.....	Jan. 18	88
United States Concrete Pipe Corp. to build Oakland, Calif., plant.....	Dec. 20	*93
Waterloo Concrete Corp. operation.....	Oct. 11	*100
Yakima Cement Products Co. modernization. F. K. Haskell.....	Nov. 22	69
Cement mill dust and vegetation.....	Feb. 15	*70
Central Rock Co.'s new crushing plant at Lexington, Ky.....	Dec. 20	*52
Central Sand and Gravel Co.'s new plant at Milwaukee. Gordon F. Daggett.....	Mar. 15	58
Centrifugal concentration.....	July 19	*64
Centropolis Crusher Co., Independence, Mo., operation. John M. Cox.....	Mar. 1	*46
Century Cement Corp., Rosendale, N. Y., modern natural cement plant.....	Oct. 25	44
Ceramic industries of Pennsylvania.....	Dec. 6	88
Cerium, monazite and thorium information circular.....	Mar. 15	70
Chamber of Commerce of the United States: Address of Dr. Hugo P. Baker on trade associations.....	Sept. 27	52
Characteristics of the ready-mixed concrete business. H. F. Thomson.....	Feb. 1	90
Chemical dictionary, new revised edition of.....	July 19	71
Chemical Engineering Catalog for 1930.....	Oct. 25	68
Chemistry folder, "The 92 Elements".....	Aug. 2	61

Chemists' corner:

Accounting for ignition loss in analysis of clinker. Katsuzo Koyanagi.....	Aug. 16	81
Analysis of article by Katsuzo Koyanagi on "Accounting for ignition loss in analysis of clinker." Alton J. Blank.....	Oct. 25	67
Analysis of article by Katsuzo Koyanagi on "Iron oxide vs. alumina." By Alton J. Blank.....	June 7	82
Analysis of complicated concrete mixes. J. L. Heitzman.....	Nov. 8	62
Are you getting the true lime value on your raw mix analysis? Robert R. King.....	Aug. 2	60

Chemists' corner (continued)

— Breaking down of tricalcium silicate by heat. S. L. Meyers.....	Apr. 12	78
— Calculation of raw mix for experimental production of clinker. Harold H. Steinour and Hubert Woods.....	Mar. 15	75
— Determination of sucrose soluble CaO in portland cement. T. F. Sedgwick.....	May 24	81
— Distinguishing of portland cement clinker. Katsuzo Koyanagi.....	Nov. 22	*66
— Effect of gypsum on decomposition of tri-calcium silicate by heat. Thomas F. Mullan.....	Aug. 30	*62
— Effect of sulphate vs. sulphide in raw material on the strength of portland cement. Katsuzo Koyanagi.....	Sept. 13	*71
— Effect of the free lime in clinker upon its strength-producing properties. Harold H. Steinour and Hubert Woods.....	Apr. 26	*70
— Iron oxide vs. alumina as a fluxing agent in the manufacture of portland cement. Katsuzo Koyanagi.....	May 10	*82
— Lime and magnesia determination in portland cement raw mix. G. W. Jordan.....	Sept. 27	62
— Lime saturation ratio of portland cement. S. Rordam.....	June 7	82
— Lime-silica index. Harold H. Steinour.....	May 24	*81
— Modification of iron oxide analysis using diphenylamine indicator. Wallace K. Gibson.....	Oct. 25	66
— New department meets favorable reception.....	Mar. 29	54
— New department of ROCK PRODUCTS; announcement of prize contest.....	Mar. 15	74
— New method of procedure in analysis of lime in sample fused with sodium carbonate. W. P. Eckdahl.....	Dec. 20	67
— Perchloric acid method of analysis for silica. C. F. Pinkerton.....	Oct. 25	68
— Perchloric acid method of silica analysis—its advantages over double evaporation. Wallace K. Gibson.....	July 19	70
— Rapid determination of magnesia in portland cement and raw materials. Arthur J. Pool.....	Aug. 16	80
— Raw mix control in cement manufacture. G. W. Jordan.....	Mar. 29	*55
— Raw mix control in the manufacture of portland cement. Arthur J. Pool.....	July 5	77
— Reply to article by Alton J. Blank on "Ignition loss." Katsuzo Koyanagi.....	Dec. 20	67
— Some errors in rapid methods of mix control. S. L. Meyers.....	Aug. 2	60
— Standardizing cement sieves. E. Taylor.....	June 21	*85
— Studies of the lime ratio in cement. Alton J. Blank.....	Dec. 6	*58
— Suggested method for proportioning and determining composition of cement slurries. Tyrrell B. Shertzer.....	Oct. 11	70
— Thermal efficiency of the kettle process for calcining gypsum. Wallace C. Riddell.....	Dec. 20	66
— Weight of slurry, formula for calculating. E. Taylor.....	Nov. 8	64
— Cherokee Sand and Gravel Co., Knoxville, Tenn., operation.....	July 19	*55
— Chester Valley Lime and Products Co., West Chester, Penn., nearing completion.....	Nov. 8	*88
— Childs, Leslie: Delivery under "more or less" contract for sale of cement.....	Feb. 1	61

Chronicle:

— Chromite Co.'s products to be sold by United States Gypsum Co.....	Jan. 18	95
— In 1929.....	Aug. 2	53
— Cincinnati Sand and Gravel Producers' Association formed.....	Mar. 29	97

Clarence Sand and Gravel Co.:

— Alexander, N. Y., plant.....	Dec. 6	*33
— Clarence, N. Y., operation.....	Mar. 1	*51

More secondary roads needed.....	Mar. 15	62
New Jersey lets contract for "world's widest road".....	Sept. 13	96
New Jersey may build sidewalks along state roads.....	July 19	90
New type of crushed-stone road base developed.....	Oct. 11	69
One good roads advocate who dares speak out his preferences.....	Dec. 20	72
Pavement designs to be tested by Bureau of Public Roads.....	Aug. 16	59
Physical tests of road-building rocks, results of.....	Oct. 25	54
President signs bill for larger federal aid for.....	Apr. 12	118
Reference book.....	Apr. 26	88
Research in low cost roads.....	Mar. 15	53
Review of research in 1929. R. W. Crum.....	Jan. 4	153

Highways (continued)

South Carolina places orders for domestic cement for.....	July 5	100
South Carolina to spend \$16,000,000 on.....	Apr. 26	89
State apportionments of the \$50,000,000 extra federal aid authorization.....	Apr. 12	108
States to spend more for highways in 1930.....	Mar. 29	75
States vote \$300,000,000 for public works.....	Nov. 8	72
Tennessee contracts for cement for.....	June 21	107
Testing of Pennsylvania highway materials.....	Nov. 22	52
Types of pavements specified by states.....	Nov. 8	96
Wide roads for Wayne county, Mich.....	Sept. 13	90
Hill, James M.: Valuation of California lime-stones.....	Jan. 4	*202
Hill, L. C.: Ready-mixed concrete.....	Apr. 12	110
Hindshaw, Henry H.: Geology of the Alpena, Mich., district.....	Mar. 1	74
Hints and helps for superintendents:		
Air valve which gives pressure readings. J. Palmer Camm.....	Jan. 18	*63
Auto car for quarry deliveries.....	Feb. 1	*64
Babbitt ladle that is handy.....	Apr. 26	*73
Babbling a cable in a socket. C. H. Wright.....	Sept. 13	*74
Barge loading conveyor.....	Feb. 1	*64
Batching bins for the gravel plant, home-made.....	Nov. 8	*67
Belt conveyor bridge.....	Sept. 27	*68
Belt conveyor feeder.....	Dec. 20	*71
Belt conveyor safety-first feature.....	Aug. 30	*65
Belt conveyor units employed to efficient advantage.....	Oct. 11	*72
Belt flipping.....	Aug. 16	82
Belt flipping prevented by holding out of wind.....	Sept. 13	*75
Belt takeup that is simple.....	Dec. 6	*62
Blasting method for minimum of fines.....	June 21	*86
Breaking down a gravel bank.....	Dec. 6	*63
Bridge structure, simple and inexpensive.....	July 5	*80
Bronze-welding a jaw crusher.....	June 7	84
Cable reels.....	July 19	73
Calculator for raw cement mix.....	Feb. 15	*79
Car pulling by "remote control".....	Nov. 22	*70
Carrying the plant conveyor over a double-track siding.....	Nov. 8	*66
Cars with grizzly tops.....	June 7	*85
Cement plant with special controls. L. M. Stauffer.....	Aug. 2	*62
Chain screen for blast protection.....	Aug. 2	*63
Chart for finding solids in a mixture.....	July 5	*81
Churn drill sharpening.....	Aug. 2	*62
Chute to prevent blowing of screenings. Nelson Severinghaus.....	Mar. 15	*72
Cleaning Le Chatelier cement testing flasks.....	Apr. 12	81
Clinker sampler.....	Apr. 26	*72
Clinker screening device.....	Mar. 15	*73
Color comparisons.....	Aug. 2	*63
Concrete elbow. C. O. Granger.....	Aug. 2	*63
Cone for sampling sand.....	July 5	*80
Controlling the consistency of cement slurry. D. R. Williams.....	Jan. 18	*62
Conveying installation that is unusual.....	Oct. 25	*70
Counterweight guards.....	Mar. 15	*73
Coyote stemming.....	Feb. 15	79
Crusher repairs.....	Mar. 15	*72
Cutting heavy material with oxygen lance.....	Aug. 30	*64
Device for shunting material to an adjoining bin.....	Sept. 27	*68
Difficult gravel washing problem solved.....	May 10	*80
Drag conveyors.....	Feb. 1	*65
Dredge field hoppers.....	Apr. 26	*72
Dredge sleeve "kink".....	May 24	*83
Dredge sleeves, adjustable.....	Feb. 15	*79
Drinking water problem, satisfactory solution of. J. Palmer Camm.....	Dec. 20	70
Dumping gravel cars.....	July 19	*72
Effective safety reminder.....	Oct. 11	*73
Electric motor housings.....	Feb. 1	*65
Electric welder on rails.....	July 19	*72
Elevator oiler.....	June 7	*85
Elevator takeup.....	Feb. 1	*64
Empty oil barrels, two novel uses for.....	Oct. 25	*71
Expediting car loading.....	Aug. 2	*62
Expediting gravel operations.....	Apr. 26	72
Flag stones.....	July 19	*73
Fuse carrier with caps attached.....	Aug. 30	*65
Gears repaired by oxwelding.....	Oct. 11	*72
Glass for launder lining.....	Mar. 1	*79
Glass shield for protecting sacking machine operator.....	Mar. 1	*79
Gravel operators make their own railway ties.....	July 5	*80
Gravity unloading system for sacked cement.....	Dec. 20	*70

Hints and helps (continued)

Guard rail safety suggestion.....	Sept. 27	*68
Guard to keep stone out of gears of revolving screen.....	Oct. 11	*73
Hard-surfacing edges of a drag scraper.....	Mar. 29	*71
Hoist control.....	Apr. 12	*80
Hook.....	Aug. 30	*65
How to make chain drives last longer. Charles R. Weiss.....	Dec. 6	*62
Identifying age of plaster.....	Apr. 12	*80
Incline track layouts.....	July 19	*73
Increasing water supply of gravel operation.....	May 24	*82
Laboratory titration bench. D. R. Williams.....	Mar. 1	*78
Laboratory titration table.....	Mar. 29	*70
Lightening a heavy load.....	Apr. 12	*80
Loading blast holes.....	Apr. 12	*81
Methods for quickly removing old flues. F. J. MacDonald.....	Sept. 27	*68
Mistakes in heating well-drill bits.....	Dec. 6	*62
"Monkey" hooks for loading rip-rap.....	June 21	*87
Monorail hoist.....	June 21	*87
Motor protection.....	May 10	*80
Motor windings dried by hot compressed air.....	May 10	*80
Mud mats.....	Mar. 29	*70
Non-slip construction for hand trucks.....	July 19	*73
Novel safety campaign.....	Apr. 26	*72
Oil house construction.....	Jan. 18	*63
Old box car used as a garage.....	Nov. 8	*67
Old water tank makes good quarry shelter.....	Nov. 22	*70
Patching cotton sacks.....	Jan. 18	*63
Pipe line support.....	Mar. 15	*72
Plant fire protection.....	May 24	*82
Plant location often a problem.....	Aug. 16	*82
Portable bailer for cleaning out well drill holes.....	Apr. 26	*72
Portable field hopper.....	Dec. 20	*70
Portable screen for cleaning stone.....	Nov. 8	*66
Preventing centrifugal pump from pumping air.....	Nov. 22	*71
Preventing stuck kettles.....	Apr. 26	*73
Protecting electric cable from unnecessary wear.....	Mar. 1	*79
Protecting electric power cables in quarry. Louis M. Cassayre.....	Apr. 12	*81
Protector for belt conveyor. S. G. McAnally.....	June 7	*85
Quarry car dumping and hoisting arrangement simplified.....	Oct. 25	*71
Quarry cars of unusual type.....	Mar. 1	*79
Quarry floor cleaner.....	Oct. 11	*72
Quarry forge.....	Sept. 13	*74
Quarry track "run-around".....	Oct. 11	*73
Reducing dust accumulation in stone bins.....	Dec. 6	*63
Regulating mill fineness.....	Oct. 11	*72
Removing an old concrete silo.....	June 7	*84
Repairing rubber cable. Nelson Severinghaus.....	Mar. 1	*78
Retarder hopper.....	Jan. 18	*63
Retarder indicator.....	Aug. 16	*82
Reversing screw conveyor flow.....	Aug. 16	*102
Rinsing aggregate at the loading spouts.....	Nov. 22	*71
Sacking machine installation.....	Feb. 15	*79
Safe air-compressor receiver.....	May 24	*83
Safety campaign bulletin board.....	May 10	*81
Safety device on gasoline locomotives prevents broken castings. C. H. Wright.....	July 19	*72
Safety first! (Conveyor belt riding).....	June 21	*87
Safety for the crusher tender.....	Dec. 20	*71
Safety-first electrical precaution.....	Sept. 27	*69
Safety-first rules for drillers.....	Oct. 25	*71
Safety ladder for hopper cars.....	Mar. 29	*70
Sand and gravel firm lets river do work. Willis Parker.....	Aug. 30	*64
Sand bridging in hopper, prevention of.....	Sept. 27	*69
Sand dryer which is unique.....	Apr. 26	*72
Sanitary drinking cups.....	Mar. 29	*71
Saving wear on hoist cable.....	Aug. 30	*64
Screening "fines" from rip-rap.....	May 24	*82
Segregation of aggregate.....	Aug. 16	*82
Segregation prevention.....	July 5	*81
Slag feeder, home-made.....	May 10	*81
Slurry sampler.....	May 24	*82
Solving oil waste problem.....	Oct. 25	*71
Speeding up transportation.....	July 19	*73
Spreading crushed aggregate on the stockpile.....	July 5	*80
Spring switch for quarry inclines.....	Nov. 22	*70
Steam shovels, hints for running.....	Aug. 16	*83
Stockpile building and reclaiming.....	Feb. 15	*78
Strengthening small chutes to prevent buckling.....	Sept. 13	*75
Stripping a limestone quarry in New Zealand.....	Mar. 15	*73

*Illustrated.

Hints and helps (continued)

Stripping of heavy clay overburden at a quarry.....	Feb. 1	*65
Stripping on a large scale.....	Mar. 1	*78
Switch throwing arrangement for quarries.....	Oct. 25	*70
Telescope for reading draft gages.....	Jan. 18	*62
Testing sheet steel to determine suitability for welding.....	Apr. 12	*81
Throw-back for an end tippie dump. J. Palmer Camm.....	Apr. 12	*81
Timing the concrete mix.....	Dec. 6	*63
Track scales kink.....	Feb. 15	*78
Tractor for moving stripping, sand or gravel.....	Nov. 8	*67
Tractor in a quarry, some experiences with. F. J. MacDonald.....	Mar. 29	*71
Tractor for spotting cars.....	Jan. 18	*63
Truck loading sand bunkers arranged for winter heating.....	Nov. 22	*70
Truck maintenance, some hints on. F. J. MacDonald.....	Feb. 1	*64
Vibrating screen discussions. Charles Jenkins.....	Jan. 18	*62
Warning given by device when barge lists.....	Mar. 15	*73
Weed cutters, old style, adapted to quarry use.....	Nov. 8	*66
Welded piping withstands flames.....	Apr. 26	*73
Welding a crank shaft.....	Sept. 13	*75
Well drilling, taking the whip out of. W. C. Barlow.....	Feb. 15	*78
Where a press could not be had. C. O. Granger.....	Aug. 16	*83
Wire cable, economical use of.....	June 7	*84
Holland's first and only cement plant.....	Mar. 1	*58
Holmes Safety Association contest to be held at Louisville, Ky.....	Apr. 26	*110
Hoover dam contract to go to single concern.....	Nov. 8	*73
Hough, Norman G.: Radio broadcast.....	June 7	*99
Some pointed remarks for producers of all rock products.....	Jan. 18	*60
How the doctor may increase the efficiency of the industrial safety program. Charles E. Seale.....	Sept. 13	*89
How to enforce safety rules. Howard Gray.....	Nov. 22	*85
Hubbard, Daniel: Gravel ballast for railroad purposes.....	Feb. 1	*86
Hubbard, Prevost: Progress and present status of research on mineral aggregates for asphaltic type roads.....	Jan. 4	*155
Hugo Sand Co., Kent, Ohio, dredging operation. Bradley S. Carr.....	July 19	*67
Hulbert, Harold S.: Aids in handling oneself and others, especially in relation to accident prevention and safety.....	Oct. 11	*92
Hydrogen ion measurements or pH values.....	Aug. 30	*52

I

Ideal British gravel plant. Edmund Shaw.....	Dec. 20	*55
Illinois Geological Survey: Exhibit of Illinois minerals.....	Aug. 30	*71
Mineral exhibition, conferences and lectures.....	Sept. 13	*110
Imports, cement (See Portland cement imports)		
Indiana Sand and Gravel Association elects Sanders president.....	Jan. 4	*151
Industrial death statistics.....	Sept. 13	*55
Industrial research, the organization of.....	Sept. 27	*60
Industrial sand freight rate investigation. Edmund Shaw.....	Sept. 27	*76
Industry and depressed price levels. L. V. Alden.....	Mar. 29	*74
Infringement suit against Haydite Co. dismissed.....	Aug. 2	*83

Inserts:

Delegates of 1929 P. C. A. safety trophy winning mills.....	May 24 between 96 and	97
Dewey Portland Cement Co. plant at Davenport, Iowa, airplane view.....	Dec. 6 between 64 and	65
Hercules Cement Corp., Stockertown, Penn., plant.....	Sept. 13 between 64 and	65
Pennsylvania-Dixie Cement Corp. plant at Portland Point, N. Y.....	Mar. 29 between 56 and	57
Pennsylvania-Dixie Cement Corp. plant at Richard City, Tenn., airplane view.....	Apr. 12 between 72 and	73
Pennsylvania-Dixie Cement Corp. plant No. 4, Nazareth, Penn.....	Apr. 26 between 88 and	89
Pennsylvania-Dixie Cement Corp. plant No. 5, Nazareth, Penn., airplane view.....	May 10 between 72 and	73

- Chemical Lime Co. and Centre County Lime Co. consolidate.....Apr. 26 60
- Chemical Lime Co. reorganized.....Dec. 6 104
- Chester Valley Lime and Products Co., West Chester, Penn., nearing completion.....Nov. 8 *88
- Clearwater Lime Products Co. plans expansion.....Nov. 22 78
- Compania Explotadora de Cal Pura, Mexico, buys lime kilns.....Aug. 2 66
- Diamond Springs Lime Co.'s new plant inspected by Chamber of Commerce party.....June 21 88
- Farnam Cheshire Lime Co. sold to United States Gypsum Co.....Apr. 12 *100
- Glencoe Lime and Cement Co. celebrates golden anniversary.....Feb. 15 97
- Gypsum, Lime and Alabastine, Ltd., Calgary, in operation.....July 5 107
- Gypsum, Lime and Alabastine export trade growing.....Apr. 26 55
- Gypsum, Lime and Alabastine, Ltd., may build in England.....July 5 92
- Haden Lime Co. names Armsby service director.....Feb. 1 117
- Hoosac Valley Lime Co. wins government contract case.....June 21 88
- Horton Lime Co. booklet on "Blubber Bay" and "Apex" uses.....Apr. 26 112
- Horton Lime Co. expands.....May 10 88
- Inland Lime and Stone Co. awards Seul Choix contracts.....Jan. 18 98
- Inland Lime and Stone Co. completes first of new plant.....Mar. 15 101
- Inland Lime and Stone Co. contracts let.....May 10 93
- Inland Lime and Stone Co. plant nearly ready.....Sept. 27 67
- Maritime Provinces' first hydrate plant.....Mar. 15 67
- Miami Lime and Chemical Co. to make solid carbon dioxide (ice).....Dec. 20 102
- Mil'ard, H. E., operations in Lebanon Valley, Penn.....July 5 *49
- Mohawk Limestone Products Co. appoints Rutschow general manager.....Oct. 25 77
- Moores Lime Co., Springfield, Ohio, operation.....Aug. 30 *49
- Mount Lime and Chemical Corp. to build lime and carbon dioxide ice plant.....Mar. 1 103
- Mount Lime and Chemical Corp. plans progressing for new plant.....Apr. 26 64
- Owens Co., Owens, Ohio, may reopen.....Dec. 6 104

Lime plants (continued)

- Peerless White Lime Co. water softening plant. Ralph W. Smith.....Mar. 15 *63
- Petrie Lime Products, Ltd., headed by Montana man.....Dec. 20 92
- Pueblo Lime Co. merges with distributor.....Dec. 6 104
- Roche Harbor Lime and Cement Co. festival.....Aug. 16 85
- Rockland and Rockport Lime Corp. curtails operations.....Dec. 20 92
- Sewell Lime Co. holds annual meeting.....Dec. 20 92
- Sewell Lime Co. organized at Orofino, Idaho.....Mar. 1 107
- Sewell Lime Co., Orofino, Idaho, ready to ship.....Aug. 2 85
- Snowflake Lime, Ltd., operating first hydrate plant in Maritime Provinces.....Jan. 18 *98
- Southern Lime Products Co., Cordele, Ga., building new plant.....Mar. 1 57
- Southern States Lime Corp. has fatal accident.....Apr. 26 83
- Standard Lime Co. operating Calera, Ala., plant.....Jan. 18 86
- Storey Lime Co.'s new plant at Perkinsville, Ariz., starts operating.....Aug. 30 108
- United States Gypsum Co. buys Farnam Cheshire Lime Co.....Apr. 12 *100
- United States Lime Products Corp. plants at Sloan, Nev., and Sonora, Calif.....Apr. 26 *41
- Valley Lime Co., Ltd., now owns Abramson-Bode Corp. plant at Lindsay, Calif.....Oct. 11 74
- Wallowa Lime and Cement Co., Oregon, project.....Aug. 2 86
- Wallowa Lime and Cement Co. project denied.....Aug. 16 85
- Warner Co. sales up in July.....Sept. 27 75

Lime products:

- Catalog of building materials.....Sept. 27 75
- Lime-gypsum plaster and process for producing. S. G. McAnally.....July 19 60

Lime products plants:

- California Lime Products Co. to operate lime and carbon dioxide ice plants.....Feb. 1 70
- Clearwater Lime Products Co. to improve plant.....Dec. 20 65
- Oregon Lime Products Co. plant bought to be reopened.....May 10 72
- Lime and cement men meet with potato growers. Thomas H. Wittkorn.....Sept. 13 *96
- Lime and magnesia determination in portland cement raw mix. G. W. Jordan.....Sept. 27 62
- Lime-gypsum plaster and process for producing. S. G. McAnally.....July 19 60
- Lime production methods of Europe and America. Part I. Victor J. Azbe.....Dec. 6 *38
- Lime saturation ratio of portland cement. S. Rordam.....June 7 82
- Lime-silica index. Harold H. Steinhour.....May 24 *81

Limestone:

- Colorado steel activity increases limestone demand.....Nov. 8 87
- Determination of calcium and magnesium in dolomitic limestones by saccharate solutions.....Dec. 20 67
- Filler in phosphate fertilizer. E. L. Larison.....Sept. 13 56
- Growing movement on Great Lakes.....Mar. 29 75
- Idaho development.....Sept. 13 85
- Iowa deposit said to be worth \$50,000,000.....Aug. 16 112
- Louisiana deposit valuable.....Sept. 13 56
- Magnesian limestone and some problems.....Sept. 13 52
- Neutralizing water from coal mines with lime and limestone.....Sept. 27 45
- Radiant limestone finds new market.....Dec. 6 37
- Some unusual and favorable publicity in Clieyenne, Wyo., newspaper.....Nov. 22 103
- Survey of limestone and phosphate situation in the midwest states. J. R. Bent.....Jan. 4 *119
- Valuation of California limestones. James M. Hill.....Jan. 4 *202
- "Wealth in limestone" picture film.....Nov. 8 35

Limestone, agricultural (See Agricultural limestone)

- Limestone as a filler in phosphate fertilizer. E. L. Larison.....Sept. 13 56
- Limestone caverns opened to public by concrete-lined mine shaft. Dan M. McNeil.....June 7 *101
- Limestone quarrying at the Northampton plant, Universal Atlas Cement Co. L. James Boucher.....Mar. 1 97

Hercules Powder Co. seal for blasting machines.....	Sept. 27	107
Hills-McCanna force feed lubricator.....	May 10	*114
Hoists and cranes, review for 1929.....	Jan. 4	*167
Holly Pneumatic Systems conveyor for unloading bulk cement.....	Oct. 11	*109
Huron Industries vibrating screen with spring and shackle mountings.....	Apr. 26	*109
Ingersoll-Rand air-motor-driven pump.....	Nov. 22	*113
Ingersoll-Rand duplex compressor.....	Aug. 30	*102
Ingersoll-Rand portable air hoist.....	May 24	*106
Ingersoll-Rand shank and bit punch.....	Mar. 15	*110
James Manufacturing Co. spiral bevel gear right-angle speed reducer with Timken bearings.....	Mar. 15	*110
Johnson Bronze Co. self-lubricating bearing.....	Mar. 29	107
K & S pocket radiation pyrometer.....	Sept. 27	*106
Keystone Driller Co. improved well drill.....	June 21	*108
Keystone Driller Co. light traction blast hole drill.....	Jan. 18	*96
Laboratory equipment, review for 1929.....	Jan. 4	*183
Leffel and Co. automatic stoker for marine type boilers.....	Mar. 29	*107
Lime plant equipment, review for 1929.....	Jan. 4	187
Lincoln Electric electrode for welding.....	Aug. 30	102
Lincoln Electric gas-driven welder.....	Sept. 13	*106
Lincoln Electric improved welders featuring unified control.....	July 19	108
Lincoln Electric large size welder.....	Aug. 2	*101
Linde-Air abrasive-resistant for preventing wear on hand trucks.....	Dec. 20	*97
Link-Belt automatic loader for skip hoists.....	Mar. 15	*110
Link-Belt ball and socket pillow block.....	July 19	*108
Link-Belt crawler bucket loader.....	May 10	*115
Link-Belt "Promal" metal for chains.....	July 5	*117
Link-Belt steel drive chain for heavy power transmission.....	Dec. 6	*103
Lubrication, review for 1929.....	Jan. 4	196
Ludlow-Saylor screens of new resilient alloy.....	Oct. 25	*104
Ludlow-Saylor woven wire screens for coarse sining.....	Jan. 18	*96
McCormick-Deering hoist mountable as a unit on tractor.....	Mar. 1	*116
Mack 1½-ton motor truck.....	Mar. 29	106
Mack six-cylinder truck.....	Oct. 11	*108
Manganese Steel Forge Co. fine-mesh screen cloth.....	May 24	*106
Manganese Steel Forge Co. steel plate for dipper doors.....	July 19	*109
Measuring, indicating and recording instruments, review for 1929.....	Jan. 4	*195
Merco-Nordstrom flanged joint.....	Oct. 25	*104
Meriam Co. well type manometer for combustion mixtures.....	June 7	*118
Metalastic, Inc., "Cordex" packing.....	Sept. 27	*107
Midwest Locomotive Works gasoline locomotives equipped with roller bearing journals.....	June 7	*119
Morrison vibrating screen.....	May 10	*114
Nordberg crawler type underground shovel.....	Aug. 16	*109
Northwest Engineering 2-cu. yd. dragline.....	July 5	*116
Oxweld Acetylene attachments for welding blowpipe.....	Nov. 8	*102
Oxweld Acetylene generators.....	Oct. 11	*110
Oxweld Acetylene oxygen and acetylene manifolds.....	Sept. 27	*107
Oxweld Acetylene oxygen regulator.....	Aug. 2	*100
Oxweld Acetylene steel welding rod.....	June 21	109

*Illustrated.

New machinery and equipment (continued)

Oxweld Acetylene welding blowpipe.....	Mar. 29	*106
Pennsylvania Pump tandem type air compressors.....	Dec. 20	*96
Power accessories, review for 1929.....	Jan. 4	*194
Prime movers, review for 1929.....	Jan. 4	*184
Pumps and dredging equipment, review for 1929.....	Jan. 4	*172
Rapid Magnetic Machine Co., Ltd., belt with magnetic "feelers".....	Apr. 12	*116
Raymond Bros. midget roller mill.....	June 21	*108
Ready-mixed concrete trucks, review for 1929.....	Jan. 4	*177
Refractories, review for 1929.....	Jan. 4	172
Review of developments in 1929.....	Jan. 4	*165
Richardson Scale Co. machine for automatic weighing of bulk cement.....	Dec. 20	*96
Riddell improved rotary sand-line brick press.....	Feb. 15	*123
Robins Conveying Belt Co. device for reducing segregation.....	Nov. 8	*103
Robins Conveying Belt Co. gigantic conveyor belt.....	May 24	*107
Ryerson all-steel highway crossing.....	Oct. 11	*108
Sand-line brick machinery, review for 1929.....	Jan. 4	*196
Sauerman Bros. steel dragline block now made in wide range of sizes.....	Nov. 8	*102
Scales—aggregate meters, review for 1929.....	Jan. 4	*192
Schaffer Poidometer Co. small size automatic weigher.....	June 7	119
Screens, washers and classifiers, review for 1929.....	Jan. 4	*179
Shaler Co. preparation for use with lubricants.....	Aug. 30	105
Sintering Machinery Corp. indicating and recording conveyor scale.....	Dec. 20	*97
S. K. F. Industries felt seal ball bearing.....	July 19	*108
Smith Engineering portable crushing, screening and loading plant.....	Aug. 16	*109
Speed reducers—power transformers, review for 1929.....	Jan. 4	*185
Speeder Machinery convertible 1¼-cu. yd. shovel.....	Mar. 1	*116
Stedman's Foundry and Machine Works hammer mills.....	Mar. 29	*106
Stephens-Adamson belt conveyor bearing.....	Aug. 30	*105
Stephens-Adamson belt conveyor tripper spout.....	Aug. 2	*100
Stephens-Adamson heavy duty portable loader.....	May 10	*114
Stoody Co. manganese welding rod.....	May 10	115
Street Bros. drag scraper hoist.....	Aug. 30	*102
Sullivan Machinery roller sheaves.....	June 21	*109
Sullivan Machinery safety lighting cable for underground illumination.....	Aug. 30	*104
Texas Co. oil lubricator for Raymond mill journals.....	July 5	*116
Toepfer screen with sand jacket.....	Apr. 26	*108
Torket-G.m.b.h. (Germany) pump for concrete.....	Aug. 30	*103
Trackson Co. portable hoist for mounting on industrial tractor.....	Dec. 20	*96
Trackson Co. tractor-shovel for many rock products uses.....	Feb. 1	*123
Transportation equipment, review for 1929.....	Jan. 4	*173
Traylor Vibrator Co. water-cooled conveyor.....	Aug. 30	*105
Traylor vibrating dewatering conveyor for final rinsing of aggregates.....	Mar. 1	*117
Uehling Instrument Co. potentiometer pyrometer.....	Sept. 13	*107
Universal Power Shovel convertible shovel crane.....	May 24	*107
Vulcan gas-electric locomotive.....	Aug. 2	*101
Western Wheeled Scraper dump cars and grading equipment.....	Aug. 2	101
Whitcomb large oil-electric locomotive.....	Nov. 22	*113
Williams Co. clamshell bucket.....	Sept. 13	*107
Williams Patent Crusher vibrating screen.....	Oct. 25	*105
Worthington drive for power transmission.....	Aug. 2	*100
New method of procedure in analysis of lime in samples fused with sodium carbonate. W. P. Eckdahl.....	Dec. 20	67
New Mexico mineral resources.....	Dec. 20	45
New Orleans industrial survey.....	Jan. 4	147

New York State Crushed Stone Association:

Albany meeting approves new state bonding law.....	Sept. 13	94
Annual meeting at New York.....	Dec. 20	76
Annual meeting at Syracuse.....	Jan. 4	*197
Buffalo meeting.....	July 5	67
Rochester meeting.....	Oct. 25	91
Syracuse meeting.....	Mar. 29	93
Syracuse meeting.....	Aug. 16	89
Utica meeting.....	May 10	103

New York Trap Rock Corp., Clinton Point

plant, design. Melvin C. Dow.....	Feb. 15	*61
New York Trap Rock Corp.'s new plant at Clinton Point, N. Y.....	Dec. 20	*25

X-ray study of constitution of.....	Nov. 8	36

Portland Cement Association:

Annual meeting in Chicago.....	Nov. 22	*94
Awarded safety medals by Holmes Safe- ty Association.....	May 24	100
Cement mill accidents in January.....	Mar. 15	*92
Cement mill accidents in February.....	Apr. 12	*56
Cement mill accidents in March.....	Apr. 26	*82
Cement mill accidents in April.....	June 7	*106
Cement mill accidents in May.....	July 5	*95
Cement mill accidents in June.....	July 19	*97
Cement mill accidents in July.....	Aug. 30	*80
Cement mill accidents in August.....	Sept. 27	*93
Cement mill accidents in September.....	Oct. 25	*88
Cement mill accidents in October.....	Nov. 22	*87
Cement mill accidents in November.....	Dec. 20	*87
Cement mill annual accident study en- couraging.....	May 10	*108
Concrete block pamphlet.....	Jan. 4	202
Concrete masonry booklet.....	June 7	78
Concrete shore protection booklet.....	May 24	67
Hudson appointed New Orleans district engineer.....	Mar. 15	93
June no-accident campaign enrollment.....	May 24	*98
Macatee appointed district engineer.....	Mar. 15	101
Newton, conservation engineer, resigns	Mar. 15	95
Owens joins staff as safety engineer.....	Nov. 22	*87
Pavements for modern traffic, booklet on.....	July 5	96
President Frank H. Smith urges busi- ness aggressiveness.....	Nov. 22	*94
Regional safety meeting at Albany.....	Apr. 26	*93
Regional safety meeting at Birmingham	Feb. 15	*108
Regional safety meeting at Cincinnati	Mar. 1	*92
Regional safety meetings at Cleveland and Washington.....	July 19	*92
Regional safety meeting at Dallas.....	Feb. 15	*111
Regional safety meeting at Des Moines	Mar. 29	*88
Regional safety meeting at Detroit.....	July 19	*93
Regional safety meeting at Easton, Penn.....	June 7	105
Regional safety meeting, Easton, Penn., banquet.....	June 21	*104
Regional safety meeting, Easton, Penn., registration.....	July 5	96
Regional safety meeting at Kansas City	Apr. 12	*92

Portland Cement Association (continued)

Regional safety meeting at La Salle, Ill.	Mar. 15	*90
Regional safety meeting at Ogden, Utah	Oct. 11	98
Regional safety meeting at St. Louis.....	Mar. 15	*88
Regional safety meeting at San Fran- cisco.....	Oct. 11	*96
Regional safety meeting at Seattle.....	Sept. 27	*91
Research activities for 1929. F. R. Mc- Millan.....	Jan. 4	148
Safety trophy awards for 1930 to set new record.....	Oct. 25	*85
Safety trophy celebration at Alpha Belle- vue mill.....	June 21	*103
Safety trophy celebration at Internation- al Portland Cement Co., Spokane, mill.....	Sept. 27	*92
Safety trophy celebration at Lehigh Orinrod mill.....	Aug. 2	*79
Safety trophy celebration at Pacific Portland Cement Co., Redwood City mill.....	Oct. 25	*86
Safety trophy celebration at South-west- ern Portland Cement Co. mill.....	Oct. 11	*99
Safety trophy celebration at Universal Atlas Duluth mill.....	Sept. 13	*92
Safety trophy celebration at Vulcanite Portland Cement Co.....	Aug. 30	*81
Safety trophy celebration dates set by cement mills.....	May 10	*112
Safety trophy celebrations at Internation- al Birmingham, Nazareth, Nor- folk and Spocari mills.....	Aug. 2	*77
Safety trophy celebrations at Internation- al New Orleans and St. Stephens operations.....	July 19	*91
Safety trophy celebrations at Lehigh Birmingham and Iola mills.....	June 21	*100
Safety trophy celebrations at Medusa Toledo and York plants.....	July 5	*93
Safety trophy celebrations at mills of four different companies.....	Aug. 16	*97
Safety trophy celebrations planned.....	May 24	100
Safety trophy delegates make New York trip.....	May 24	*96
Safety trophy won by 26 mills in 1929.....	Jan. 18	*71
Spring meeting at New York.....	June 7	*103
Swimming pools, booklet on.....	Aug. 16	65
Vaulted concrete sidewalks, pamphlet on	Mar. 29	105

Portland cement imports:

First two months show gain.....	Apr. 12	110
Legality of War Department's purchase questioned.....	May 24	67
Row in South over.....	Mar. 15	71
South Carolina places order for 1,000- 000 bbl. of Belgian cement.....	June 7	125
South Carolina plans to evade duty on	May 24	79

Portland cement industry:

Annual accident study encouraging.....	May 10	*108
Australian situation.....	Jan. 4	198
Belgium feels tariff.....	Aug. 16	53
Bid of \$1.05 a bbl. rejected as too high	Mar. 29	102
Big Tujunga dam low bid is \$1.05 per bbl.....	Jan. 18	94
Brazilian industry.....	Aug. 16	69
Brazilian manufacturer comments on.....	Dec. 6	69
British cement company rationalization	July 19	44
British cement manufacturer visits Brit- ish Columbia.....	Nov. 8	80
Cement Institute established.....	Feb. 15	*85
Costa Rican trade.....	Aug. 16	62
Czechoslovakian industry.....	Aug. 16	89
Denver city business provokes fight.....	Oct. 25	72
Des Moines, Ia., dealers forego profit on cement.....	Dec. 20	58
Developments in cement and aggregate industries in 1929. P. J. Freeman	Jan. 4	130
Easier money in 1930 expected to im- prove industry.....	Jan. 18	86
Electric welding in cement plants. J. F. Lincoln.....	Aug. 2	*97
Employment bureau established by pro- ducers.....	Sept. 13	110
English journal published in four lan- guages.....	May 10	60
Foreign developments.....	Mar. 1	63
Foreign industry.....	Feb. 15	64
Foreign news notes.....	Apr. 26	90
Healthy unrest in.....	July 19	54
Indiana manufacturers urge use of home product.....	July 5	100
Iowa plants busy on road contracts.....	Oct. 25	72
Man-hour productivity rise ranks high in.....	Apr. 12	59
Manufacturers change dealer relation- ships.....	Dec. 6	74

Portland cement industry (continued)

Milwaukee awards.....	Jan. 18	94
New consultant for.....	Dec. 20	77
Newspaper analysis of.....	Nov. 22	*75
Northwest prospects.....	July 19	81
Norwegian industry.....	Sept. 13	92
Norwegian industry rationalization.....	May 10	103
On the Pacific Coast. Walter B. Len- hart.....	Mar. 15	*46
Part I.....	Apr. 12	*68
Part II.....	Nov. 8	97
One newspaper editor with understand- ing!.....	Apr. 12	108
Pacific Coast bids.....	Sept. 13	80
Pacific Coast prices advance.....	Sept. 13	80
Pacific Northwest cement plants report activity.....	Nov. 8	72
Place of the combustion engineer in. V. K. Fischer.....	Aug. 2	*51
Price cutting in Northwest.....	Aug. 16	100
Price increase not expected at Knox- ville, Tenn.....	Feb. 1	114
Price study of industry progressing.....	July 19	51
Producers meet with potato growers.....	Sept. 13	*96
Producers protest coal rates.....	Sept. 27	67
Review of 1929.....	Jan. 4	84
ROCK PRODUCTS loses a subscriber —penalty for favoring tariff.....	Nov. 8	73
St. Paul, Minn., dealers protest sales to city direct.....	Aug. 16	85
Sales promotion efforts cited.....	July 19	86
"Salute to the Cement Industry" radio broadcast.....	Feb. 15	97
Smith, Frank H., broadcasts tribute to cement.....	Mar. 1	103
South African cement trade.....	Aug. 2	104
South Carolina contracts not satisfying to building supply dealers.....	Sept. 13	94
South Carolina contracts, some details of.....	Aug. 2	91
South Carolina dealers don't like state's bargain.....	Aug. 2	91
South Carolina highway commissioner still trying to promote plant.....	Aug. 2	91
South Carolina patronizes several do- mestic cement mills.....	July 19	80
South Carolina places orders for do- mestic cement.....	July 5	100
Southern Ohio industry picking up.....	Sept. 13	80
Spanish government control of.....	Dec. 20	68
Spokane, Wash., territory said to have good business.....	Nov. 22	93
Swedish industry.....	Aug. 30	48
Tacoma, Wash., city fathers kick about contract.....	Aug. 16	89
Trade complaint against industry dropped	July 5	82
Turner, Scott W., tribute to cement in- dustry.....	Oct. 25	88
West Coast plant promoter figures ex- pected profits.....	Mar. 15	94
Wisconsin buys cement needs direct from mills.....	Feb. 1	73

Portland cement kilns:

Overcoming heat losses; recent research work on. Dr. Geoffrey Martin.....	July 5	*59
Researches on the rotary kiln in cement manufacture. Dr. Geoffrey Martin. Part I.....	Aug. 2	49
Part II.....	Aug. 16	60
Part III.....	Sept. 13	*57
Part IV.....	Sept. 27	53
Part V.....	Oct. 11	58
Part VI.....	Oct. 25	43
Part VII.....	Nov. 8	36
Part VIII.....	Nov. 22	*47
Part IX.....	Dec. 6	*54
Part X.....	Dec. 20	49
Use of powdered coal and crude oil in the rotary kiln. Alton J. Blank.....	Aug. 30	53

Portland cement manufacture:

Accounting for ignition loss in analysis of clinker. K. Koyanagi.....	Aug. 16	81
Analyses of waste gases of rotary ce- ment kiln and their part in kiln con- trol. Alton J. Blank.....	May 10	*58
Analysis of article by Katsuzo Koyanagi on "Accounting for ignition loss in analysis of clinker." Alton J. Blank.....	Oct. 25	67
Analysis of article by Katsuzo Koyanagi on iron vs. alumina.....	June 7	82
Are you getting true lime value on your raw mix analysis? Robert R. King.....	Aug. 2	60
Breaking down of tricalcium silicate by heat. S. L. Meyers.....	Apr. 12	78
Calculation of raw mix for experimental production of clinker. Harold H. Steinour and Hubert Woods.....	Mar. 15	75
Comparison of balls and cypheps as grinding media. K. Koyanagi.....	Aug. 16	*58
Dewatering of cement slurries by elec- tricity.....	Oct. 25	44
Dust problem to be studied by select- men of Thomaston, Me.....	Aug. 2	40

Portland cement manufacture (continued)

Dusting of portland cement clinker. Katsuzo Koyanagi.....	Nov. 22	*66
Effect of boric acid on clinkering.....	July 5	79
Effect of free lime in clinker upon its strength-producing properties. H. H. Steinour and Hubert Woods.....	Apr. 26	*70
Effect of gypsum on decomposition of tri-calcium silicate by heat. Thomas F. Mullan.....	Aug. 30	*62
Effect of sulphate vs. sulphide in raw material on strength of portland cement. Katsuzo Koyanagi.....	Sept. 13	*71
Fine grinding of portland cement materials.....	Mar. 1	64
Further developments in closed-circuit dry grinding. H. G. Wright.....	Dec. 20	*46
Influence of composition in mixtures.....	Mar. 29	73
Influence of magnesia, ferric oxide and soda in mixtures.....	June 21	85
Iron oxide vs. alumina as a fluxing agent in the manufacture of portland cement. Katsuzo Koyanagi.....	May 10	*82
Lime and magnesia determination in raw mix. G. W. Jordan.....	Sept. 27	62
Method of studying the reactions in a portland cement kiln. William N. Lacey and Hubert Woods.....	Jan. 18	*54
Modification of iron oxide analysis using diphenylamine indicator. Wallace K. Gibson.....	Oct. 25	66
Multistage process for burning portland cement clinker. Robert D. Pike.....	Feb. 15	*65
New method of procedure in analysis of lime in samples fused with sodium carbonate.....	Dec. 20	67
Overcoming heat losses in cement manufacture. Dr. Geoffrey Martin.....	July 5	*59
Perchloric acid method of analysis for silica. C. F. Pinkerton.....	Oct. 25	68
Perchloric acid method of silica analysis—its advantages over double evaporation. W. K. Gibson.....	July 19	70
Rapid determination of magnesia in portland cement and raw materials. Arthur J. Pool.....	Aug. 16	80
Rates of solution of small particles of gypsum and anhydrite.....	Oct. 25	68
Raw grinding and slurry control. R. J. Binford.....	Aug. 2	41
Raw mix control in. G. W. Jordan.....	Mar. 29	*55
Raw mix control in. Arthur J. Pool.....	July 5	77
Reactions in burning.....	Jan. 4	149
Recent developments in the application of closed circuit fine grinding. A. Anable.....	Mar. 29	*66
Recent developments in application of dry fine grinding with air classification. Howard G. Wright.....	July 19	*57
Reply to article by Alton J. Blank on "Ignition loss." Katsuzo Koyanagi.....	Dec. 20	67
Researches on the rotary kiln in. Dr. Geoffrey Martin.....		
Part I.....	Aug. 2	49
Part II.....	Aug. 16	60
Part III.....	Sept. 13	*57
Part IV.....	Sept. 27	*53
Part V.....	Oct. 11	58
Part VI.....	Oct. 25	43
Part VII.....	Nov. 8	36
Part VIII.....	Nov. 22	*47
Part IX.....	Dec. 6	*54
Part X.....	Dec. 20	49
Rotary kiln in.....	Mar. 29	69
Some errors in rapid methods of mix control. S. L. Meyers.....	Aug. 2	60
Spray process of slurry feed.....	Feb. 1	59
Standardizing cement sieves. E. Taylor.....	June 21	*85
Studies of the lime ratio in cement. Alton J. Blank.....	Dec. 6	*58
Suggested method for proportioning and determining composition of cement slurries. Tyrrell B. Shertzer.....	Oct. 11	70
Titrimetric determination of magnesium. J. Stanton Pierce and M. B. Geiger.....	Aug. 2	54
Use of powdered coal and crude oil in the rotary kiln. Alton J. Blank.....	Aug. 30	53
Weight of slurry, formula for calculating. E. Taylor.....	Nov. 8	64

Portland cement plants:

Aetna Portland building new silos.....	June 21	91
Aetna Portland to install slurry filters.....	Mar. 29	95
Alpha Portland, Bellevue, has fire.....	May 10	93
Alpha Portland, Bellevue, rededicates safety trophy.....	June 21	*103
Alpha Portland cultivates them while young!.....	Dec. 20	77

*Illustrated.

Portland cement plants (continued)

Alpha Portland, Martins Creek, installs new waste heat generator.....	Mar. 1	103
Alpha Portland to build Jamesville, N. Y., mill.....	Mar. 1	80
Argentina to have new plant.....	Mar. 29	95
Arkansas Portland to install slurry filters.....	Mar. 29	96
Ash Grove has first safety rally.....	Aug. 16	99
Associated Portland (Swanscombe, England) mill modernized.....	Apr. 26	71
Beaver Portland makes improvements.....	Feb. 15	107
Beaver Portland may use new Oregon pumice for cement manufacture.....	Apr. 26	83
Beaver Portland planning new hydro-electric power plant.....	Mar. 1	80
Benton and Son plant at Oxfordshire, England, has some novel features.....	June 21	81
Bessemer Cement making additions to plant.....	Jan. 18	89
Blue Diamond companies reorganized.....	July 19	54
Brazil plant installs new rotary kiln.....	Oct. 11	57
Brazil plant's capacity to be increased.....	June 7	78
British Columbia Cement lowers price.....	May 10	60
Calveras Cement Co. adds to quarry holdings.....	Oct. 25	69
Canada Cement Co. had good year in 1929.....	Jan. 4	201
Canada Cement Co. outlook.....	May 24	71
Canada Cement Co. to rebuild Port Colborne plant.....	Dec. 6	87
Canada Cement's new self-unloading boat for bulk transportation.....	Sept. 27	95
Canterbury, England, cathedral keeps out plant.....	Aug. 30	46
Castalia Portland doing record business.....	Sept. 13	110
Cemento Portland Nacional (S. A.) lets contracts for new plant.....	June 21	91
Cemento Portland Nacional, S. A., plans new mill in Mexico.....	Apr. 12	61
Cemento Portland Nacional, S. A., Sonora, Mexico, project.....	May 10	103
Colorado Portland to use natural gas at Portland plant.....	Nov. 8	80
Consolidated Cement, Mildred, celebrates safety record.....	July 5	*94
Coplay Cement changes on board of directors.....	Apr. 26	83
Cowell Portland safety celebration.....	Aug. 16	97
Czechoslovakia fused cement plant.....	Mar. 15	95
Dewey Portland, Davenport, Iowa, closed-circuit, wet-process installation.....	Dec. 6	*65
Dewey Portland employees hold bonus banquet.....	Jan. 18	81
Dewey Portland plans \$500,000 improvements to Davenport mill.....	Jan. 18	98
Dewey Portland plant at Davenport, Iowa, airplane view, insert.....	Dec. 6 between 64 and 65	65
Diamond Portland improved grinding methods.....	July 19	*51
Earle, G. and T., Ltd., plant at Hope, England, starts operating.....	Mar. 1	107
Edmonton, Alberta, project.....	Apr. 26	83
Florida Portland shipping to Panama.....	Mar. 29	95
Florida Portland to operate Hookers Point plant to full capacity.....	Mar. 15	94
Foreign projects.....	Apr. 26	58
German merger.....	Nov. 22	68
Giant Portland appoints McNally chief chemist.....	Apr. 12	*82
Great Lakes Portland safety celebration at Buffalo.....	Aug. 16	*97
Great Lakes Portland to add grinding unit at Cleveland packing plant.....	Feb. 15	114
Hawkeye Portland, Earlham, Iowa, plans quarry developments.....	Dec. 20	77
Hercules Cement Corp., safety celebration at Stockertown.....	Aug. 16	*107
Hercules Cement Corp. self-unloading bulk cement railway cars.....	Jan. 4	*150
Hercules Cement Corp., Stockertown, Penn., airplane view, insert.....	Sept. 13 between 64 and 65	65
Holland's first and only plant near Maastricht.....	Mar. 1	*58
Huron Portland building Toledo pack-house.....	Apr. 26	61
Idaho Portland elects officers.....	Mar. 29	96
Idaho Portland president an optimist on Northwest.....	Dec. 20	72
Idaho Portland to build products plant.....	Jan. 18	88
International Cement Corp.'s president quoted on policies.....	Dec. 6	87
International Portland Cement Co. dedicates safety trophy at Spokane.....	Sept. 27	*92

Portland cement plants (continued)

Ketton Portland's modern mill at Stamford, England.....	Jan. 18	53
Keystone Portland, Bath, Penn., crusher installation.....	July 5	*68
Keystone Portland elects Scott president.....	Sept. 27	104
Keystone Portland erects new storage silos.....	Mar. 1	107
La Tolteca, Compania de Cemento Portland to build new plant in Mexico.....	Mar. 1	103
Landa Cement Co. promotes Alton J. Blank.....	Dec. 6	*75
Lehigh Portland, Birmingham and Iola celebrate safety awards.....	June 21	*100
Lehigh Portland, Birmingham, works for public safety.....	Nov. 8	84
Lehigh Portland given Holmes safety award.....	Oct. 11	91
Lehigh Portland, Mason City, Iowa, has good year.....	Nov. 22	96
Lehigh Portland, Metaline Falls, Wash., plant reopened.....	Dec. 6	92
Lehigh Portland, Mitchell, Ind., and Metaline Falls, Wash., starting up.....	Dec. 20	77
Lehigh Portland, Ormrod, entertains engineers.....	Sept. 13	76
Lehigh Portland, Ormrod, safety trophy celebration.....	Aug. 2	*79
Lehigh Portland safety posters.....	Sept. 13	90
Lehigh Portland, Sandt's Eddy, entertains engineers.....	Oct. 25	69
Lone Star, Louisiana, safety celebrations at New Orleans and St. Stephens.....	July 19	*91
Lone Star, Louisiana, to make improvements.....	Dec. 6	75
Lone Star safety celebrations at Norfolk, Nazareth, Birmingham and Spocari.....	Aug. 2	*77
Lone Star, Texas, completes Dallas improvements.....	Dec. 6	87
Lone Star, Texas, making Houston improvements.....	Dec. 6	55
Lone Star, Texas, man goes twenty years without accident.....	Nov. 22	*86
Los Angeles project controversy apparently closed.....	June 7	166
Los Angeles project fight reaches comic stage.....	Feb. 1	59
Louisiana to have new plant, rumor.....	Dec. 6	75
Louisville Cement Co. elects Baylor vice-president.....	Jan. 18	81
Louisville Cement Co. quarry methods and costs. H. D. Baylor.....	Sept. 27	*56
Manitowoc Portland holds safety meetings.....	Feb. 1	78
Manitowoc Portland operates one year without accident.....	Oct. 25	86
Marquette Cement improvements to employ 30 men.....	Dec. 6	75
Marquette Cement improves Memphis plant.....	Oct. 11	69
Marquette Cement's new "William Dickinson" towboat.....	Dec. 6	*68
Marquette Cement to build packing plant at Vicksburg, Miss.....	Nov. 8	77
Marquette Cement to enlarge Memphis packing plant.....	Aug. 2	90
Marquette Cement to increase St. Louis facilities.....	July 19	87
Medusa Portland, Bay Bridge and Dixon, celebrate safety.....	Dec. 6	*86
Medusa Portland reported to be prospecting in Virginia.....	May 10	57
Medusa Portland safety record. W. M. Powell.....	Dec. 6	*86
Medusa Portland to build new silos at Manitowoc.....	May 24	97
Medusa Portland, Toledo and York, dedicate safety trophies.....	July 5	*93
Michigan state plant at Chelsea reported for sale.....	July 19	110
Michigan state plant operations suspended.....	Nov. 8	89
Mississippi legislators vote down state plant.....	May 10	96
Mississippi Portland Cement Co. asks Macon chamber of commerce to buy stock.....	Oct. 11	103
Mississippi Portland Cement Co. chartered—novel methods proposed.....	Sept. 27	102
Mississippi project rumors renewed.....	Sept. 13	76
Mississippi's proposed mills.....	Oct. 25	100
Missouri Portland chooses Tulsa for new \$2,500,000 plant.....	June 21	84
Missouri Portland officers view Tulsa project.....	July 19	87
Missouri Portland officials select Tulsa site.....	Aug. 2	90
Missouri Portland plans for new Tulsa plant progressing.....	Dec. 20	72
Missouri Portland project progresses.....	Sept. 27	102
Missouri Portland promotes P. C. Blaise.....	July 5	84
Monolith Midwest architectural contest winners.....	Jan. 18	40

Portland cement plants (continued)

Monolith Portland completes extensive improvements.....	Feb. 1	114
Monolith Portland sued for royalty on Olson plastic cement patents.....	Aug. 2	84
Monterrey, Mexico, plant active.....	Nov. 8	80
Monterrey, Mexico, plant doubles capacity.....	June 7	100
Monterrey, Mexico, plant expands.....	May 24	69
Montreal, Can., plant rumored.....	Feb. 15	114
Nevada project announced.....	May 10	96
North American Cement adds to Catskill holdings.....	Mar. 29	102
North American Cement, Security, Md., damaged by fire.....	Nov. 22	96
North American, Security plant, operating force.....	Dec. 6	*84
North American plants celebrate no-accident year.....	Nov. 8	*81
Northwestern States Portland employs form "20-year" club.....	Mar. 1	103
Northwestern States Portland gives Christmas bonuses.....	Jan. 4	151
Northwestern States Portland, Mason City, Iowa, has good year.....	Nov. 22	96
Ohio to have another plant, rumor.....	Nov. 22	102
Oregon Portland puts out new mason's cement.....	May 10	103
Pacific Portland, Redwood City, unveils safety trophy.....	Oct. 25	*86
Pennsylvania-Dixie buys additional quarry property.....	Dec. 6	87
Pennsylvania-Dixie elects banker and lawyer directors.....	Nov. 8	71
Pennsylvania-Dixie, Chattanooga, entertains traffic club.....	Sept. 13	76
Pennsylvania-Dixie, Kingsport, Tenn., to reopen.....	Mar. 1	107
Pennsylvania-Dixie, plant No. 4, Nazareth, Penn., airplane view (insert).....	Apr. 26 between 88 and	89
Pennsylvania-Dixie plant No. 5, Nazareth, Penn., airplane view.....	May 10 between 72 and	73
Pennsylvania-Dixie plant No. 6 at Bath, Penn. (insert).....	June 7 between 96 and	97
Pennsylvania-Dixie, Portland Point, N. Y., airplane view (insert).....	Mar. 29 between 56 and	57
Pennsylvania-Dixie, Richard City, Tenn., airplane view (insert).....	Apr. 12 between 72 and	73
Pennsylvania-Dixie sales appointments.....	Sept. 27	105
Pennsylvania-Dixie, Valley Junction, Iowa, lets contracts for enlarging mill.....	Mar. 29	94
Pennsylvania-Dixie, Valley Junction, Iowa, to be improved.....	Mar. 15	92
Riverside Cement to build new silos.....	Nov. 22	84
Russian mill contracts awarded to American concern.....	Jan. 4	198
St. Louis Portland Cement Co. plant project.....	July 19	87
Santa Cruz Portland Cement Co., Davenport, Calif., operation.....	June 21	*41
Santa Cruz Portland's recent changes.....	July 5	82
South Carolina highway commissioner still trying to promote plant.....	Aug. 2	91
South Carolina plant projected.....	June 21	65
South Carolina's proposed plant, more about.....	June 21	65
South Dakota state plant paying debts.....	July 19	69
South Dakota state plant reports low stocks.....	Nov. 8	65
South Dakota state plant to pay \$150,000 to state.....	Jan. 4	201
Southwestern Portland Cement Co.'s slurry filter installation.....	May 24	*51
Southwestern Portland, El Paso, laboratory.....	June 7	*75
Southwestern Portland man out for mayor of Columbus.....	Nov. 22	*111
Southwestern Portland to erect skyscraper in Los Angeles.....	Dec. 20	77
Southwestern Portland to have model Ohio farm.....	Mar. 29	95
Southwestern Portland, Victorville, Calif., dedicates safety trophy.....	Oct. 11	*99
Southwestern Portland, Victorville, safety record gets set-back.....	Nov. 22	87
Superior Portland, Concrete, Wash., develops new high-early-strength cement.....	Mar. 29	95
Superior Portland, Concrete, Wash., plant closing busy season.....	Dec. 6	92
Superior Portland's program for eliminating accidents.....	H. A. Ambler.....	Nov. 8
Superior Portland, Superior, Ohio (See Wellston Iron Furnace Co.).....	May 10	100
Three Forks Portland activities.....	May 10	100
Trinity Portland safety work.....	J. W. Ganser.....	Dec. 20

*Illustrated.

Portland cement plants (continued)

Trinity Portland to install electric remote control railway cars.....	Apr. 26	109
Universal Atlas allows pension credit to 4000 former Atlas employees.....	Sept. 27	93
Universal Atlas appointments.....	Mar. 29	94
Universal Atlas appointments.....	Sept. 27	93
Universal Atlas appointments in sales department.....	Mar. 15	92
Universal Atlas appointments in secretary and treasurer offices.....	Apr. 12	82
Universal Atlas appoints Van Zandt assistant to president.....	Oct. 11	81
Universal Atlas appoints Webb district sales manager.....	Aug. 2	90
Universal Atlas' box car with Haydite concrete floor.....	June 7	*74
Universal Atlas, Duluth plant, operations going strong.....	July 5	82
Universal Atlas, Duluth, safety trophy rededicated.....	Sept. 13	*92
Universal Atlas eliminates 12-hour day.....	Aug. 2	90
Universal Atlas makes new appointments.....	Mar. 1	107
Universal Atlas may build Toledo packing plant.....	Aug. 2	91
Universal Atlas mid-year construction survey.....	Aug. 2	43
Universal Atlas, Northampton plant, helps make movie.....	Nov. 22	93
Universal Atlas, Northampton, quarrying at L. James Boucher.....	Mar. 1	97
Universal Atlas, Northampton, resumes full time.....	Dec. 20	65
Universal Atlas opens Milwaukee distribution plant.....	Dec. 20	72
Universal Atlas opens offices in Newark.....	June 21	110
Universal Atlas president answers pessimists.....	Dec. 6	75
Universal Atlas resultful collection letters part of service.....	Dec. 20	69

Quarries (continued)

Franklin Limestone Co. now has sand and gravel subsidiary.....	Aug. 30	66
Georgia-Quincy Granite Co., Macon, Ga., reorganized.....	Jan. 18	80
Georgia-Quincy Granite Co. plant rebuilt.....	Mar. 29	96
Glenridge Stone Co. opens dimension stone quarry in Ohio.....	June 21	83
Gloversville, N. Y., quarry changes hands—to be reopened.....	May 10	83
Gouverneur, N. Y., quarry consolidation and development rumored.....	Aug. 2	66
Grand Tower, Ill., property to be developed.....	Jan. 18	81
Greer Limestone Co. moves offices to plant.....	June 21	107
Hartman, C. W., Bakersfield, Calif., completing new plant.....	Apr. 26	64
Hawkeye Portland Cement Co. quarry plans developments.....	Dec. 20	77
Highland quarry near Hillsboro, Ohio, may become zinc mine.....	Apr. 12	77
Holston Quarry Co. buys sand and gravel operation.....	Aug. 2	66
Holston Quarry Co. buys Watauga quarry.....	May 24	50
Hub Granite Co., Cary Bluff, Wis., installing granite polishing machinery.....	Nov. 22	99
Indiana Limestone Co. involved in lawsuit over hydraulic stripping.....	May 24	95
Indiana Limestone Co. may expand lime-making operations.....	Dec. 20	75
Indiana Limestone Co. to build \$1,000,000 byproducts plant.....	Mar. 29	94
Ingliside Limestone Co., Horse Creek Station, Wyo., newspaper story on.....	Nov. 22	103
Inland Lime and Stone awards Seul Choix contracts.....	Jan. 18	98
Inland Lime and Stone completes first unit of new plant.....	Mar. 15	101
Inland Lime and Stone to have electric railway.....	May 24	74
Iowa project.....	Aug. 16	112
Joliet, Ill., state prison quarry stone may be sold.....	Feb. 1	113
Kelley Island Lime and Transport Co. to open new quarry.....	Aug. 30	75
Kentucky Consolidated Stone Co. blast accident kills four.....	May 10	113
King Stone Co. sues railroad for lack of car service.....	Jan. 18	95
Lindsay, Calif., quarry shipping rock to sugar refineries.....	July 5	84
Louisville Cement Co., Speed, Ind., methods and costs at H. D. Baylor.....	Sept. 27	*56
Louisville, Ky., city quarry plans dropped.....	Nov. 8	87
Marble Cliff Quarries Co. to donate 270 acres to city.....	Mar. 15	101
Markgraf Stone Co. now operated by Joliet Stone Co.....	May 24	103
McManus Quarries Co. mine accident kills four.....	Aug. 30	81
Medusa Portland quarry interesting to Boy Scouts.....	Apr. 12	65
Mellen Black Granite Co. formed.....	June 7	125
Michigan Limestone and Chemical Co. operates broadcasting station.....	Sept. 27	108
Milwaukee quarry to be developed into a park.....	Feb. 1	44
National Lime and Stone to start construction of new plant soon.....	Mar. 15	101
Northport, Wash., quarry to be developed.....	Feb. 15	114
Ohio Lime and Stone Co., Pemberville, bankrupt.....	Jan. 4	141
Paxtang Quarries not flooded again.....	Apr. 12	118
Portland Cement Co. of Utah quarry blast blends deposits.....	Oct. 25	*42
Radford Limestone Corp. sold to power company.....	Mar. 29	96
Ripon Limestone Co. has new manager.....	May 24	85
River Products Co. replacing equipment damaged by fire.....	Mar. 15	94
Salem Lime and Stone planning mineral wool plant.....	Jan. 18	89
Salem, Mass., municipal quarry has blasting accident.....	Oct. 25	*77
Schroeder and Co., West Marquette, Iowa, planning to move.....	Aug. 2	85
Sewell Lime Co., Orofino, Ida., ready to ship.....	Aug. 2	85
Sinking Springs, Penn., property sold at auction.....	Jan. 18	86
South Carolina granite deposit surveyed.....	Mar. 15	101
Southern Consolidated Granite Corp. holdings bring \$40,100 at receiver's sale.....	Jan. 18	81
Sturgeon Bay Co., Sturgeon Bay, Wis., operation.....	May 24	*41
Tenino, Wash., air receiver explosion.....	Mar. 29	96

*Illustrated.

Quarries (continued)

Texas Quarries, Inc., builds railway.....	Jan. 18	98
Union Carbide Co. plans new plant at Narrows, Va.....	July 5	100
Union, W. Va., blasting accident kills six.....	May 24	95
United States Steel Corp. increases capital in quarry property.....	Apr. 26	71
United States Steel Corp.'s limestone holdings in Indiana reported sold.....	Nov. 22	72
Universal Atlas Cement Co., Northampton, quarrying methods. L. James Boucher.....	Mar. 1	97
Universal Atlas, Northampton plant, helps make movie.....	Nov. 22	93
Utah Copper Co. tonnages and costs.....	Apr. 26	89
Valley Lime Co., Ltd., now owns plant of Abramson-Bode Corp., Lindsay, Calif.....	Oct. 11	74
Vancouver, B. C., project.....	Aug. 2	41
Vermont granite merger.....	Mar. 1	103
Virginia marble deposit to be developed by blast.....	Sept. 13	85
Wagner Quarries Co. gives stone free to aid unemployed.....	Dec. 6	78
Wallace Stone Co. preparing for lake shipments.....	July 5	92
Waller Co. to open new sandstone quarry.....	Jan. 4	151
West Quarry, Dell Rapids, S. D., resumes operation.....	July 19	75
Western Pennsylvania to have new limestone operation.....	Nov. 8	65
Western Pennsylvania to have new quarry.....	Dec. 20	87
Weston and Brooker Co. plans expansion.....	May 10	88
Wisconsin Granite Co. quarry damaged by blast.....	Sept. 27	108
Wisconsin granite quarries producing breakwaters.....	Jan. 18	89
York Hill Trap Rock Quarry Co.'s large blast.....	Dec. 6	*53

Iowa gravel property brings royalty of 7-4c. Nov. 22

Kansas land owner wins suit for royalty. Sept. 27

Michigan producer tests village zoning law. Oct. 25

Michigan state gets the profit from Great Lakes operations. Aug. 2

Minnesota roads replacement requirements. July 19

Missouri gravel lands bring \$300 per acre. Feb. 15

Need for simplification of sizes in sand and gravel industry. F. H. Jackson. Feb. 1

New England town's inhabitants think up objections to gravel plant. Oct. 25

Notes on sand and gravel plant design and equipment. Part IV. A. L. Munro and D. D. Barnes. Oct. 25

Objective of National Crushed Stone Association's tests. Edmund Shaw. June 7

Ohio deposit sells at \$300 per acre. Nov. 8

Port Jefferson, L. I., would abolish pits for aesthetic considerations. Nov. 22

Production in 1928, interesting facts about. Mar. 15

Promotion of premium aggregates. Stanley M. Hands. Aug. 16

Research in aggregates in 1929. Edmund Shaw. Jan. 4

Research in 1929. Stanton Walker. Jan. 4

Review of recent research in. Edmund Shaw. Mar. 29

Review of Stanton Walker's paper on "Effect of Characteristics of Coarse Aggregate on the Quality of Concrete." Edmund Shaw. Apr. 12

Royalty of 15c per cu. yd. Apr. 12

Self-unloading boat being made from ore carrier. Feb. 1

Standardization vs. discrimination. Stanley M. Hands. Sept. 27

Standardizing sizes and nomenclature in Los Angeles. Harry D. Jumper. Apr. 12

Uses in low-cost road construction. C. N. Conner. Feb. 1

Washington state producers win fight against Canadian gravel. Nov. 22

Sand and gravel industry:

Activities and changes in Texas.	Apr. 12	117
And its problems. John Zollinger.		
Part I.....	Nov. 22	50

Part II.....	Dec. 20	*56
Sand and gravel industry on the upper Ohio and Allegheny rivers. Walter B. Lenhart.....	Aug. 16	*41
Sand and gravel plants:		
Albany Gravel Co. has new hydraulic operation.....	June 7	113
Albany Gravel Co. to build plant at Croton, N. Y.....	Feb. 1	114
American Aggregates Corp. increases Logansport, Ind., holdings.....	Sept. 27	75
American Aggregates Corp. sells Chillicothe, Ohio, holdings.....	Jan. 18	81
American Materials Corp.'s new plant at Hamilton, Ohio.....	June 7	*49
Arrow Sand and Gravel Co. takes out group insurance.....	Apr. 26	110
Atlas Olympia Co., Ltd., to recover clay and silica byproducts.....	Dec. 6	74
Atlas Sand, Gravel and Stone Co. installs ready-mix concrete equipment.....	Oct. 25	72
Baker Gravel Co., Hamilton, Ind., expanding.....	July 5	92
Basalt Rock Co., Napa, Calif., to operate gravel plant.....	Nov. 8	87
Basalt Rock Co. planning new plant.....	Mar. 29	93
Batavia Washed Sand and Gravel Co., Batavia, N. Y., operation. G. M. Earnshaw.....	Sept. 27	*43
Becker County Sand and Gravel Co. has record year.....	Nov. 22	79
Blue Diamond companies reorganized.....	July 19	54
Boston Sand and Gravel Co. map of operations.....	Aug. 2	*70
Brazil Sand and Gravel Co. to pay 15c. per cu. yd. royalty.....	Apr. 12	108
Bristol Sand and Gravel Co., Bristol, Penn., operation.....	May 10	*49
Brooks and Larimer, former highway employees, embark in business.....	May 10	88
Brown-Huffstetter Material Co.'s new dredge.....	Dec. 20	*62
Browning Sand Co., Lawrence, Kan., bought by F. H. Gades.....	Sept. 13	81
Browning Sand Co. sues contractor.....	Aug. 30	66
Camden Gravel Co. signs large power contract.....	Apr. 26	120
Caney Creek Sand and Gravel Co. towboat burns.....	Aug. 2	86
Central Sand and Gravel Co.'s new plant at Milwaukee. Gordon F. Daggett.....	Dec. 20	*52
Cherokee Sand and Gravel Co., Knoxville, Tenn., operation.....	July 19	*55
Chicago Gravel Co. adds to holdings.....	Mar. 29	95
Clarence Sand and Gravel Co., Clarence, N. Y., operation.....	Mar. 1	*51
Clarence Sand and Gravel Co.'s new plant at Alexander, N. Y.....	Dec. 6	*33
Columbus Gravel Co., Columbus, Miss., dredge. Bradley S. Carr.....	Apr. 26	*105
Commonwealth Sand and Gravel Co., Richmond, Va., operation.....	May 24	*57
Concrete Material Corp. moving site of operation.....	Nov. 8	65
Concrete Materials Corp., North Hollywood, Calif., sold.....	Oct. 11	102
Consolidated Rock Products Co., Los Angeles, properties. James N. Hatch.....	Feb. 1	*45
Consolidated Rock Products Co. to have new president.....	Apr. 12	115
Consolidated Rock Products Co. to run general building supply business.....	Mar. 29	102
Construction Materials Corp.'s new self-unloading dredge and carrier. "J. R. Sensibar".....	Nov. 22	*102

*Illustrated.

Sand and gravel plants (continued)

Contractors and Builders Supply Co. excavation methods.....	Mar. 1	54
Contractors Sand, Gravel and Supply Co. formed at Cincinnati.....	June 21	67
Copley Sand and Gravel Co., Manorville, Penn., gold discovery.....	Oct. 25	*89
Crawford Sand and Gravel Co.'s cable excavator.....	Aug. 30	*58
Dahlrymple Sand and Gravel Co. formed.....	June 7	86
Daniels Sand and Building Co. sold.....	Jan. 18	98
Davis and Co.'s new plant at Crawfordsville, Ind., in operation.....	Aug. 16	89
Delaware River Sand Dredging Co. asks for permit to dredge.....	Dec. 20	89
Dolomite Products Co.'s new plant at Rochester, N. Y.....	Oct. 11	*41
Dolomite Products Co. to open gravel plant.....	Mar. 29	96
East Tennessee Sand and Gravel Co. now subsidiary of Franklin Limestone Co.....	Aug. 30	66
Eastern Rock Products, Inc., Utica, absorbs Boland interests.....	Jan. 4	147
Eau Claire Sand and Gravel Co. plant destroyed by fire.....	Aug. 30	70
Edgerton Sand and Gravel Co. incorporated.....	Apr. 12	108
Elkhart-Moraine Gravel Co. celebrates 20th anniversary.....	Mar. 15	106
Estill Springs Sand and Gravel Co. booklet.....	May 24	*101
Fort Worth Sand and Gravel Co.'s new plant at Fort Worth, Tex. Jean H. Knox.....	Jan. 18	*44
General Sand and Gravel Co., Klamath Falls, Ore., begins operations.....	May 24	71
General Sand and Gravel Co., Klamath Falls, Ore., formed.....	Mar. 29	94
Gifford-Hill and Co.'s new plant in Louisiana.....	Sept. 13	81
Gilley Bros., Ltd., British Columbia, to build new plant.....	May 24	71
Gilley Bros., Ltd., new plant in British Columbia completed.....	Oct. 25	83
Glacier Sand and Gravel Co., Stellacoom, Wash., developments.....	Mar. 15	*54
Griffith Co. plant operation protested by aristocratic yachtsmen.....	May 24	56
Hat Island, Puget Sound, deposits to be developed.....	Feb. 1	117
Hawkeye Sand and Gravel Co. builds ready-mix plant.....	Aug. 16	102
Hensel operation at New Philadelphia, Ohio.....	Mar. 15	*66
Hersey Gravel Co. lands big contract.....	Dec. 6	93
Holston Quarry Co. buys sand and gravel operation.....	Aug. 2	66
Hudson River Gravel Corp. plans new developments.....	Apr. 12	61
Hugo Sand Co., Kent, Ohio, dredging operation. Bradley S. Carr.....	July 19	*67
Humboldt Gravel and Tile Co. plant leased to Concrete Materials Corp.....	Dec. 20	89
Ideal Sand and Gravel has record year.....	Nov. 22	99
Ideal Sand and Gravel plans expansion.....	Jan. 18	98
Inter-City Sand and Gravel Co.'s new plant at Springfield, Ore., burns.....	Aug. 2	86
Inver Sand Co. shipping marl byproduct.....	Dec. 6	93
Iron City Sand and Gravel Co. adding to capacity.....	Feb. 15	96
Kaiser Paving Co., Livermore, Calif., has good safety record.....	Feb. 15	114
Kenosha Sand and Gravel Co. trades pit.....	Feb. 1	70
Kenyon Dredging Co., Houston, Tex., developing deposit.....	Oct. 25	77
Kenyon Dredging Co., Houston, Tex., project.....	Nov. 8	85
Keystone Sand and Supply adds 10 new barges.....	Jan. 18	89
Knoxville Sangravl Material Co., Knoxville, Tenn., operation.....	July 19	*55
Knoxville, Tenn., producers handicapped by low water.....	Dec. 6	87
Kohler Bros., Prospect Hill, Wis., new plant. Gordon F. Daggett.....	Dec. 20	*52
Lake Ports Supply Co. expands.....	June 7	100
La Salle, Ill., receives bids for operation of city pit.....	Nov. 22	99
Laura Gravel and Stone Co., Phillipsburg, Ohio, operation.....	Oct. 25	*52
Lewis County Gravel Co., Centralia, Wash., expands.....	Apr. 26	91
Long Island, N. Y., operations to continue.....	May 24	103
Long Island dredging problem gets complicated.....	Aug. 30	66
Los Angeles concerns consolidating.....	Oct. 11	102
Los Angeles refuses permit for new plant.....	Dec. 6	74
Los Angeles Rock and Gravel Co. reopens pit at Arroyo Seco.....	July 19	87

Sand and gravel plants (continued)

Loudon Sand and Gravel Co. considering changing location.....	Aug. 30	66
Lutesville Sand and Gravel Co.'s cable excavator.....	Aug. 30	*58
Maine Sand and Gravel Co. wins tax suit.....	Nov. 8	85
Marine Dredge and Gravel Co. launches new sea-going plant.....	May 24	101
Marine Dredge and Gravel Co.'s dredge "Brazil." Edmund Shaw.....	Sept. 13	*41
Massachusetts firms in merger.....	July 19	76
Material Service Corp., Lockport, changes in new plant.....	June 21	*49
Material Service Corp. makes Joyce assistant president.....	Sept. 27	93
Material Service Corp.'s barge damaged by "pineapples".....	Dec. 6	93
McGeorge Gravel Co. gets long-term contract.....	June 7	102
McGrath Sand and Gravel Co. to open new pit.....	June 21	65
Memphis Stone and Gravel Co. works overtime.....	Dec. 6	93
Memphis Stone and Gravel Co. enlarging plant.....	Mar. 15	93
Metropolitan Sand and Gravel Co. enjoined from dredging.....	Aug. 16	103
Metropolitan Sand and Gravel Co., Long Island, enjoined.....	Nov. 8	85
Mississippi gravel companies combine.....	Nov. 8	80
Mississippi plants active.....	Oct. 25	91
Missouri developments.....	Apr. 26	89
Missouri Gravel Co.'s new plant starts operation.....	Apr. 26	89
Missouri Portland Cement Co. gravel plant improvements.....	Oct. 11	103
Missouri Portland Cement Co. to improve Memphis gravel plant.....	Feb. 1	70
Moline Consumers Co. to build plant near Cordova, Ill.....	Jan. 18	86
Moline, Ill., operators offer state a settlement of controversy.....	July 5	106
Moline, Ill., producers sued by state.....	June 21	110
Montana has successful lady operator.....	May 10	92
Moulding-Brownell Corp., Chicago, formed by \$10,000,000 building material merger.....	Sept. 27	*65
Muskingum River Gravel Co., Zanesville, Ohio, operation.....	June 7	*73
National Sand and Gravel Co. wins suit for failure of excavator.....	Dec. 20	65
New Jersey Sand and Gravel Co., Farmingdale, N. J., operation.....	Aug. 2	*44
Nicholl plant in Australia.....	Apr. 12	*61
North Kenova Development Co. to develop Ohio property.....	Mar. 15	101
North Shore Material Co.'s new plant at Burlington, Wis. Gordon F. Daggett.....	Oct. 25	*45
Northern Gravel Co., Barton, Wis., improving plant.....	Feb. 15	96
Northern Gravel Co. vice-president killed in auto accident.....	Nov. 22	77
O'Brien Bros. Sand and Gravel Corp. annual clam bake.....	Oct. 25	91
O'Brien Bros. Sand and Gravel Corp. buys famous estate.....	Dec. 20	87
O'Brien Bros. Sand and Gravel Corp. suit cites 1752 deed.....	Dec. 20	81
Ohio river operators expand fleet.....	Dec. 6	93
Ohio Valley Sand Co. sold to McClain Sand Co.....	Mar. 29	95
Oil City Sand and Gravel Corp. to extend operations.....	Mar. 15	101
Ottawa Road Co. to develop deposit near Ottawa.....	June 21	107
Pioneer Sand and Gravel Co., Stellacoom, Wash., developments.....	Mar. 15	*54
Pioneer Sand and Gravel Co. to sell reinforcing steel.....	Dec. 20	88
Port Jefferson, L. I., gravel firm puzzling.....	Feb. 15	96
Raleigh Sand and Gravel Co., Memphis, plant sold.....	Sept. 13	81
Renshaw Sand, Rock and Gravel Co., Alturas, Calif., in operation.....	July 5	69
Ross Island Sand and Gravel Co., Portland, Ore., operation.....	Jan. 18	*25
Rupprecht Co., St. Louis, building new plant.....	Aug. 30	71
Russian River Gravel Co. making improvements.....	May 24	103
Ruth Concrete Products Co. installs modern gravel plant at Vineland, N. J.....	Jan. 18	81
Sand Products Corp., Detroit, formed to merge three companies.....	Feb. 1	117
Security Materials Co. expands.....	Mar. 29	94
Shiely Co. building ballast plant at Wenatchee.....	Jan. 18	95
Shiely Co. plant at Chinook, Mont., expects good year.....	Apr. 26	92
Shiely Co., St. Paul, Minn., aggregate and ready-mix operations.....	Aug. 30	*89
Slider, E. T., dredge solves unusual barge-to-shore handling problem.....	Aug. 2	*64
Sound Gravel Co., Long Island, headed by Leatham D. Smith.....	Oct. 25	91

Sand and gravel plants (continued)

Sound Gravel Co. proposes dredging half mile off Long Island.....	Dec. 20	88
South Bend, Ind., companies merge.....	Dec. 6	93
Southern Gravel Corp. buys North Carolina property.....	Mar. 15	101
Spruce Pine Sand and Gravel Co. sold.....	Jan. 4	151
Staines, England, has ideal plant. Edmund Shaw.....	Dec. 20	*55
Standard Sand and Gravel Co. making ready-mix.....	Dec. 6	101
Stony Creek Gravel Co. letterhead.....	Nov. 22	*111
Stuver Bros., Barberton, Ohio, building new plant.....	Feb. 1	117
Triangle Rock and Gravel Co., growth of. C. J. Brown.....	Mar. 1	*55
Troutdale Sand and Gravel Co. manager killed by cave-in.....	May 10	96
Tyler and Baker Construction Co. employee killed by accident.....	May 10	96
Utah Sand and Gravel Products Corp., Salt Lake City, operation.....	Feb. 15	*49
Wallace Stone Co. preparing for lake shipments.....	July 5	92
Wamego Sand Co. plant damaged by rise of Blue River.....	June 7	68
Warner Co. barges of novel construction.....	June 7	*86
Warner Co. buys Wilmington, Del., retail yard.....	May 10	93
Warner Co. gets big contract.....	Apr. 26	90
Warner Co. plant's historic ground.....	June 21	48
Warner Co. sales up in July.....	Sept. 27	75
Warner Co. seeks permit to dredge in Delaware river.....	Dec. 20	88
Warner Co. Van Sciver plant, Tullytown, Penn., July 5.....	July 5	*41
Waterloo Concrete Materials Corp.'s new Wallingford, Iowa, plant under construction.....	Dec. 20	88
Waupaca Sand and Gravel Co.'s new plant. Gordon F. Daggett.....	Nov. 8	*33
West Penn Sand Co. making improvements.....	Apr. 12	120
Western Indiana Gravel Co. to operate servicing plant.....	Mar. 1	107
Wichita - Northwestern railroad opens gravel plant.....	May 24	100
Woodlawn Gravel Co., San Antonio, opens new plant.....	Nov. 22	100
Wunder Co., Minneapolis, sold to Landers-Morrison-Christianson Co.....	Feb. 1	50
Yonkers, N. Y., consolidation of three companies reported possible.....	Feb. 15	97

Sand-lime brick:

Canadian production statistics for 1929.....	Dec. 6	112
